### Coming Events

—Chartered bus to Erin every Friday, leaves Rose Bar Restaurant at 9 p.m., returning home after the dance.

—Supervised swimming at Norfolk YMCA pool every Friday, GRC auspices. Girls meet at 11 p.m., Old Town Hall, boys at 1 p.m. Bus fare 10c.

—Get your Glen Fair prize list by phoning 754W or 113R14. Senior entries, 10c per article, junior entries free. Put your name in a sealed envelope with your entry. Watch for further particulars about this big 34th annual fair on Saturday, September 9th.

### Legion Notes

THIS WEEK-END seems to be a big one for Branch 120. First of all, in order of "hearing" of them:

We understand that it is possible that the Legion softball team will journey to Simcoe on Saturday to play ball. The opposing team is the intermediate entry from that town, which we believe, is sponsored by the local servicemen's organization there. From what we have read in the papers, this is one of Ontario's outstanding ball teams. This game was arranged through a former Simcoe resident, now living in town, Wilf Hillis, local Prudential insurance agent, and member of Branch 120.

Saturday also, the Legion has chartered a bus (two if needed), to attend the annual Warrior's Day parade and celebration at the Exhibition. This is the first day in recent years that Georgetown Legion has had a bus going to the Ex, and from advance reports we understand if you want seats, get your name on the blackboard at the hall as fast. We believe it is scheduled to leave at 10 o'clock Saturday morning.

It is expected that between thirty and forty thousand war veterans of both sexes will march to the Exhibition this year, accompanied by forty-odd bands. All defense services will be represented and the American Legion will send picturesque detachments from various centres in the northern states. Don't forget, this Saturday, August 26th.

On Sunday, August 27th, in the afternoon at 2 p.m., the annual corn roast will be held. This has become one of the regular features of the Branch year, and we can guess there will be a big crowd present.

THE BALL TEAM has been doing quite a bit better than the column has led to believe. However, we finally got it sorted out, and as well, last week's sports column carried the revised placings for the league. Up until that time the ball team seemed to have been winning the games all right, but were not getting credit for them, in the Herald.

Now that holidays are over, perhaps the boys will get busy about the horseshoes again.

AND BELIEVE IT or not, it is getting around to the time of year when Bill Roney starts planning his annual Christmas tree for the kiddies. (Think he must be slipping, this year, because last year he had a large number of tickets sold for the annual draw by the end of August.)

FRED McCARTNEY soon leaves for the Dominion Convention to be held in Winnipeg. We understand

### MACKENZIE NEWS

You have only to drive through the country to realize that this is a land of plenty and "where every prospect pleases."

It's so cool you'll have to keep working to keep warm, so it should be a good time to do up those odd jobs. Maybe your cupboard would look better with new cupboard door pulls and drawer pulls. We have two styles in chromium at 35c each, which always look bright and clean. A new arborite counter top or white and black duratite behind your cupboard and sink would be attractive and useful. If you need to do some painting we have Timberlox which makes an idea primer or pure turpentine.

See you at the "EX."

They come in sizes from 24 to 28  
Come in, and see them.

**\$9.95 and up**

At Silver's you will find an unsurpassed assortment of fine clothes for your son or daughter — at sensible prices.

that one of the hot issues of the convention will be ways and means of giving more effective aid to the United Nations in Korea.

TUESDAY NIGHT the Branch was favoured with some unexpected entertainment. An entertainer called "Lightning Larry", who claimed to be from Oklahoma, happened to be in town and played a number of selections on his banjo as well as singing for the boys. He is staying in this district at present so probably will drop in again.

Two of his favourites, "Roses of Picardy" and "Ole Man River" were really good, and brought down the house.

TWO LEGION members from Timmins were in looking the Branch over the other night. They have a building project of their own up there, which is costing them in the neighbourhood of \$75,000. But then, they have a membership of nine hundred and employ a paid secretary-manager full time.

REMEMBER, THE Branch goes to "Warrior's Day" at the CNE on Saturday and the annual corn roast on Sunday afternoon at 2 o'clock.

LAST MINUTE FLASH! Chubby and his ball players came through with a nice win last (Tues.) night in the first of the playoffs, against Limehouse 10-2. Scotty coming thru with one of the best efforts of the season. So maybe the boys will come out on (or near) the top by the end of the season!

### Former Glen Businessman Sells Garage Equipment

John Perry, who closed his body and fender shop in Glen Williams last year and moved to Sutton was in town on Monday. He disposed of equipment used in his garage business to a private buyer. Mr. Perry now operates a lunch room in Sutton and reports a busy tourist season there.

### Sports Round-up

by Steamboat Emmerson  
Industrial softball playoffs got underway last night with Legion playing Limehouse Blues in Limehouse and coming out on the top game 12-11. Norval gave a bye end of a 10-2 score. Smith and Stone took Combines in a close into the playoffs and are standing by at present.

The Legion, sparked by the fine pitching of Scotty Patterson and solid catching of Rene Martin, played a fine brand of softball and held Limehouse off the score sheet until the last half of the seventh when Ken Nash and Lorne Norton were on base and with two away Snook Clarke connected for a three base hit to score them. Lorne Norton went the route for Limehouse and pitched a good game.

Tomorrow night Businessmen invade Glen Williams for the first game of their series. Limehouse and Legion will have another go Thursday, as will S&S and Combines.

Recent guests at Mr. and Mrs. Wilfrid Hunter's Valley View Cabins at Huntville included Mr. and Mrs. Elmer Dron and Ronnie Vint, Mr. and Mrs. Jim Presswood and David, Mr. and Mrs. Charles Brown and Mr. and Mrs. F. Nielsen.

Mr. and Mrs. Thomas Niven have returned from two week's vacation the first week of which they spent on a motor trip to Quebec City and the second week in Belleville. While in Quebec they watched the S.S. Quebec leave the wharf on the 11th, and on the 12th they

"Royal Bridal Gown" pattern has been inspired by the exquisite beauty of Princess Elizabeth's bridal gown.

This entrancing new Teaware pattern is a faithful reproduction of the design of the Royal gown and is further enhanced by the grace of orchids which the "Queen Anne" artists have painted from a photo of the actual flowers the Princess carried on this historic occasion.
