Celebrate 25th Year Hold Afternoon Tea

The WMS held a very enjoyable afternoon tea celebrating their 25th anniversary on Friday afternoon at the manse. Mrs. F. W. Shortill had charge of the program. Visitors were present from Ashgrove, Melville, Churchill and Ospringe. Lovely solos were sung by Miss Jean Bird of Ashgrove, Mrs. Turner and Shirley Thompson of Churchill, and Mrs. Roberts of California now visiting with relatives at Melville. A duet by Muriel Hiltz and Janice Baker, a piano solo by Marjorie Gibson and a recitation by Beth McEnery were all much appreciated. Mrs. Frank Smith conducted a Bible Quiz with Mrs. H. Bird having the most correct answers. Refreshments were served from a table prettily decorated with anniversary cake, candles and sweet peas. Mrs. Shortill and Mrs. W. Gibb poured tea and a bountiful lunch was enjoyed.

Stockholders Union Asks Referendum on R'yment Hours, Wages

In a letter to Prime Minister St. Laurent last week, the American Stockholders' Union, of which Mr. Thomas Sutton of Limehouse is president, asked for a referendum of company shareholders, in this case the people of Canada, on the question of granting changes in hours and wages to employees of the Canadian National Railways.

Mr. Sutton, in his letter, said that railway union leadership itself was, in great part, responsible for the high wage rates and short hours now obtaining in industry.

"The plea for a high wage-short work week in industry made by railway union leadership was based on the increased tempo of industrial production," the letter continued. "A similar increased tempo does not prevail in rail operations and railway union demand for a 40 hour week is backed solely by the selfish desire of railway workers. We cannot admit a right of railway workers to enjoy a short work week unless and until farmers, independent business men, doctors, etc., are enabled to benefit from a similar privilege."

The petition asked that a referendum be taken for or against a 40 hour week for CNR employees and that employees refusing to report for duty until the result of such a referendum is known should be dismissed from service forthwith.
