How would you measure your telephone's true worth? Its endless convenience. Its life-saving speed in time of need. The steadily growing number of people it brings within your reach. All these things contribute to the sum-total of telephone value. Yet in dollars-and-cents cost, your telephone remains one of the smallest items in your family budget; even a smaller part than it was before the war. Today, as always, your telephone is big value.

## Ohsweken Ousts Georgetown in PeeWee Lacrosse Tourney

Four hundred young lacrosse stars from all-over the province competed for the provincial Pee Wee title on Saturday when seventeen teams played in Brampton Rose Bowl and the Arena.

Georgetown's strong entry suffered a heart-breaking loss to Ohsweken after winning their first games against Weston and Sarnia. The Indian team went on to the finals and are matched with Brampton in a championship game which will be arranged in October in Maple Leaf Gardens prior to one of the Mann Cup games.

All teams staged a parade through the Brampton business section at noon to the Rose Bowl where they were officially welcomed by Mayor Harold Lawrence. Terry Davis of Peterborough was granted laurels as the day's individual star.
