PUBLIC SCHOOL NEWS

On Thursday evening teachers of Grade seven and eight attended a meeting at Strathcona School, Burlington, where they inspected new classrooms. Plans were made to hold a one-day convention at Guelph OAC later in October. Mr. Smith of Acton gave instructions in map reading.

Each classroom teacher is arranging the purchase of some new books to further the reading programme throughout the school.

Films shown in the school last week included Cleanliness for Health, Four seasons (which showed the year around beauty and industry of the Gatineau Valley in technicolor), and Bronco Busters, a cowboy thriller. Mr. Henry and Mrs. J. Evans were in charge of the projector.

Best attendance throughout the school in September was noted in the class of Mrs. Evans (Grade 7), with 94.90 per cent, with Grade 4 (Miss Harrison's class) in second place. With such splendid weather conditions attendance should be almost perfect.

Field Day on Friday afternoon was definitely enjoyable. No inter-school meet will be held with Acton and Milton until the spring.

The classmates of Michael Lambert are sorry to know he is absent through illness. Michael underwent an appendectomy operation.

It is unfortunate that Thomas Dobbie fractured his right arm while broad jumping on Friday morning at school.

SOCIAL AND PERSONAL

Mrs. Arthur Reeve is visiting this week with relatives in Albion, New York.

Mrs. Edward Wodson of Toronto spent a few days this week with friends in town.

Mr. and Mrs. Charles Peterson of Hamilton were recent visitors with Mr. and Mrs. Ted Arnold.
