Institute Hears of Early Georgetown Days

At the October meeting of the Georgetown Women's Institute held at the home of Mrs. Ed Hill, Guelph Street, the members heard many interesting facts about early Georgetown from Mrs. R. T. Paul, convenor of Historical Research and Current Events, and her committee. Did you know that this town in the very early days was called 'Kennedyville'? Then it was renamed Georgetown after George Kennedy. And did you know that at one time, Stewarttown was as large as Georgetown but when the railway chose Georgetown for a site for one of its stations from that time onward Georgetown continued to advance and has advanced and is advancing?

The roll call: Why do we admire elderly folks — was well answered, and indeed it could be for most of the members were talking about themselves.

A visit is planned to Peel-Halton Home, Brampton in the very near future, as the last visit had been so much appreciated. A vote of thanks was tendered to all those who helped in the booth at the Fair and to those who arranged the apple exhibit. It was decided to pack a bale of clothing for Crippled Civilians before the end of October; goods to be left at the home of the president, Mrs. H. C. Bailey, Charles Street, or Mrs. J. Ballantine, Albert Street.

Five dollars was voted to High School to be used for two prizes for the Commencement, \$5.00 to 'Save the Children Fund' and \$3.00 towards expenses of the Halton County girls taking the annual trip. Mrs. Frank Fitch and Mrs. H. C. Bailey were appointed delegates to the Area Convention to be held at Stratford the week of Oct. 9th. At the next meeting there is to be a shower of ivory soap flakes and wash cloths for "Save the Children Fund."

Community singing and a delicious lunch ended a very educational and happy afternoon.

ADVISES SCHOOLGIRLS ON CHOOSING JOBS

Mrs. Olive Palmer of the vocational guidance section of the Department of Education visited Georgetown High School recently. She spoke to the senior girls on the subject of the careful choice of vocations and the importance of doing well their jobs.

BOY SCOUT NEWS

The "Leaping Wolves" and "The Little Beavers" attended the Shriner's Circus in the Maple Leaf Gardens last Saturday. About 60 boys from the two Cub Packs enjoyed the bus trip and the three ring show of acrobatics, stunts, clowning and animal training.

Any boy 8 years of age and over wishing to join the Cubs is urged to do so now so that he can enter into the fall and winter activities.

The Boy Scouts met on Thursday evening and the Troop seems to be getting off to a good start. It is hoped that full strength will be reached soon.

Boy Scout Apple Day will be held on Saturday, October 28th. Citizens of Georgetown, Stewarttown and Glen Williams are urged to support the movement.

Ladies Auxiliary of the Boy Scouts is to meet in St. John's S.S. room on Monday at 8 p.m. This is to be a meeting for the election of officers.

Scouting and Cubbing during the past months owe part of their success to the generous response of the public in such events as paper drives, Apple Days, etc. Thank you one and all.

Regular Cub and Scout meetings are "Leaping Wolves" Cub Pack Wednesday 4 p.m., "Little Beavers" Cub pack Friday 4 p.m., Boy Scouts Thursday at 7 p.m.

Mr. Roy Ward has been added to the Boy Scout Committee.
