**Anniversary Services Planned for Sunday**

The 90th anniversary of Knox Presbyterian Church will be celebrated next week by the local congregation. On Sunday Rev. J. Stanley Glen of Knox College, Toronto, will be guest minister at the church. Dr. Glen will preach at both morning and evening services. Church and Sunday School at Limehouse have been cancelled for the day.

Thursday a hot turkey supper will be served in the basement of the church. This is the first time in several years that there has been a turkey supper in town and it is expected that there will be an overflow crowd to partake of the good meal which the church ladies will serve. A variety program will include selections by the Hillsburgh Male Quartette.

**Institute Will Purchase Rhythm Band Instruments**

The October meeting of the Norval Women's Institute was held on Thursday, October 5th, at the home of Mrs. W. South. The roll call was answered by "Common Courtesies." During the business discussion financial aid was voted to the Red Cross and to Norval Public School to assist in the purchase of instruments for a Rhythm Band. It was also decided to gather good used clothing to send to European families.

Mrs. Walter Fidler gave a paper on Current Events and Mrs. Hamilton McLaughlin took the motto—"Love Thy neighbour as thyself." Mrs. Murray Laird spoke on Community Activities and Public Relations which was a very thought-provoking and helpful paper. A short contest brought the program to a close.

After the meeting Mrs. South and her assistants served a dainty lunch.
