Last Thursday our rugby team with a group of supporters piled the two of Scott's buses and headed for Acton, where the GHS boys inflicted a 21-11 defeat on the home team.
Acton carried the ball up to Georgetown's 20 yard line after the kick off but lost possession and Georgetown moved up the field with Don Hutchinson scoring the first touchdown. Keith Scott got a second touch soon after and Hutchinson's convert gave Georgetown an early 11-0 lead.
Crawford Douglas carried the ball across for Acton, then Georgetown got another major when Ron Denham carried the ball to the touch line where he was solidly stopped by two Actonites. The ball bounced out of his arms and Al Gillis picked it up for another five points.
This ended the half after some discussion because due to a mistake quarter time had not been called.
Crawford Douglas scored again for Acton, in the third and Bruce converted. The lone touchdown in the last quarter was made by Gillis on a beautiful sleeper play. Final score 21-11.
Due to a skating injury Butch Schenk, one of Georgetown's star players was out of the line-up.

On Friday Ron Denham hurt his knee and may be out of rugby for some time.

In soccer last Wednesday captain Terry Norton and Art Maybanks scored for their team in a 3-0 victory over a team captained by Fred Dickenson.
Norval took both games of a double-header with Glen Williams. Ross Cunningham and Peter Pomerooy scored in a 2-0 Pee Wee win and George Graby scored twice for the bantams who won 2-1. Barclay got the Glen goal.

have planned a dance in Stewarttown Hall and Tiny Hopkins will take care of the music. Acton and Milton are invited but they would not invite Brampton. Too much competition, we guess.
