ASHGROVE
Dorothy Stone is W. I. Speaker

The W.I. meeting was held on Thursday afternoon, October 19th, at the home of Mrs. Frank Barnes. It was an ideal October day and the ladies turned out in good numbers. The president, Mrs. Milton Bird presided and opened with the Institute Ode. Roll Call was answered by the members each showing a copy of a Canadian painting. A committee of Mrs. Robert Cunningham, Mrs. Hector Bird and Mrs. Fred Nurse was appointed to plan a social in November. Mrs. Francis Thompson gave a splendid motto on "A thing of beauty is a joy forever." Piano solo by Tommy Hunter. Mr. Hector Bird had current events followed by a splendid talk on "Art," by Miss Dorothy Stone, of Georgetown. At the first of her talk she reminisced about her days at Art College and the different art teachers she had learned from. Then she told us "Art and Beauty do feed our souls." She named some of the earliest painters, Cornelius Craighoff, Horation Walker and J. E. H. McDonald's first picture the Beaver Dam. She also drew our attention to colour in paintings as painters in the earlier days stuck to the darker tones. We will all be more interested in pictures after hearing her talk. A lovely solo by Mrs. Chester De Forest of Georgetown, "Bless This House" was enjoyed by all. The National Anthem was sung and a social hour was enjoyed over the tea cups.

A number of our W.I. ladies attended the tea held by the Esqueing Institute in the Stewarttown hall last Tuesday afternoon and report having such a splendid time. Mr. and Mrs. Frank Wilson and Marilyn attended the anniversary service at Woodbridge United Church on Sunday morning.
