LIMEHOUSE

Chicken Supper For Ball Team, Executive

Limehouse softball team and executive enjoyed a chicken supper at the Hall a week ago. They then played hosts to their numerous supporters at a euchre and dance. High scores went to Mrs. Ron Latimer and Ken McDonald and consolation went to Mrs. Harvey Norton and Ed O'Brien. Glen Scott won the door prize. Karn's Orchestra provided music for dancing following lunch. All expenses were borne by the ball team and the committee. Limehouse Memorial Hall is looking spick and span inside following a cleaning bee by the women on Thursday afternoon and continued by three men in the evening. Congratulations to Mr. and Mrs. Fred Geary on the arrival of their second little daughter in Toronto on October 11th. Real estate has been changing hands in the neighbourhood. Mr. and Mrs. D. S. GUELPH DRIVE IN THEATRE

CLOSED UNTIL NEXT SPRING

The Final curtain has fallen on Drive-In entertainment for this season. It is with many regrets that your Drive-In Theatre has yielded to the inevitable cold breath of autumn, but our closing is accompanied by pleasant recollections of a successful season in this community, the first season that presages many future seasons of operation. The warm appreciation that has been accorded our initial months of operation by the many Drive-In patrons who have been quick to recognize the advantages of a Drive-In Theatre, encourages us to look forward to making even more friends in future years. We shall endeavour to improve our theatre and our programmes until our entertainment has become an indispensable feature of the film-going public. It has been very gratifying to have served such an appreciative audience this year, and we shall be impatient for our opening next spring when we again hope to serve you at the

GUELPH DRIVE-IN THEATRE

"Last Date" Special Feature at Roxy

A special feature at the Roxy today and tomorrow which no parent or teen-ager should miss is the 20-minute movie "Last Date." This dramatic sound film sponsored by Lumbermen's Mutual Casualty Company was produced as part of a continuing safety campaign against a newly-coined word "Teenicide." Insurance companies, welfare groups and educationalists are becoming more and more alarmed about the mounting accident rate among young motorists under 25 years of age. As research produces better and better automobiles, capable of higher speeds, young people seem inclined to grow more reckless in their driving. Through educational movies like "Last Date" it is hoped that young drivers can be discouraged from conduct which leads to an appalling death and injury toll in the States and Canada.

YOUR COMMERCE BRANCH

Keystone of Main Street

The towns of Canada are great places. Our town was a fur trading outpost in the early days—now it is part of a great forest industry. Serving that industry—and us—is the bank... a branch of The Commerce. Our manager is your friend—he knows how to give the type of service that comes with long acquaintance.

Yes, our Canadian towns are great places... and the men and women at your Commerce branch are good people to know.
