Juniors Seek Players
 The Junior Raiders are searching for new faces. Many of last year's team have signed up in the mercantile league including Jack Hamilton and Harold Hillis, both with Businessmen, Bob Hepburn with Smith and Stone and Pic Dillon with Provincial.
 Manager Ted Vahl tells us he has Danny Hewitt and a lad by the name of Mundy from Hornby and Earl Walters trying out for goal. Keith King, Bill Hewitt, Keith Scott, Dunc Baxter, Jim Golden, Ivan Huffman, Terry Bludd, Dave Barber, Blake Inglis and Butch Schenk will ink certificates Wednesday night at practice. Don Schenk is considering dropping out of the Norval mercantile line-up to play Junior. Bill MacCormack and Joe Leuth are also potential team members.
 If the team plays Junior D they will most likely play in a group composed of Burlington, Hespeler, Aurora, Milton and Georgetown. At the present time the executive is finding out what sort of grouping they would get in C ranks. This won't be known for awhile as some centres have natural ice.
 Bug Corbett of Oakville is trying to organize a pre-season league for some practice games—Georgetown, Oakville, Burlington and Milton. Oakville have not yet decided what class they will be playing in.

Mercantile Opens
 The arena opened its doors to the new season for the mercantile league Monday. There was a good crowd on hand and Acton's entry is sure to stir up a lot of interest this year. The team will carry the name of Baxter Lab.
 The league looks to be well balanced and some new goalkeepers are making their presence felt. Pic Dillon, former junior goalie tends not for Provincial and Charlie Jones, a good goalie who alternated with Gord King last year for Smith and Stone has the job for Alliance. King is back as is Carman Malby, last year's Vezina trophy winner, for Norval. Ingy Robinson, who played goal for Acton Intermediates last year is guarding the twine for Baxter Lab and he is mighty fast. Businessmen still have yours truly in goal.

Most of the teams have dropped their stragglers and have lined up fair clubs. Sid Hulme handles the time and does a fine job. George Alcott is at the gate and can always be counted on to be there and have things organized.
S and S, 4—Baxter Lab, 3
 Bax Lab came behind in the late stages to pop in a couple and give Smith and Stone a run for their money. Norton scored twice for Smith and Stone. King and Robinson were both outstanding in goal.

Provincial 7—Norval 3
 Provincial, showing too much power for Nels Robinsons Norval team were far the best. Denny Wright, Provincial manager, did the first hat trick of the season, scoring three goals. Wylie scored two with Carter and Coffell getting the other tallies. Carl Schenk, Len Self and Don Hancock scored for Norval.
Alliance, 4—Businessmen, 0
 Charlie Jones chalked up the first shut-out with a fine display of goal-tending for Alliance. Businessmen held them until the second period but couldn't stem the determined attack. Hazell scored twice with Norton and Greenslade getting one each.

Curlers Will Have Artificial Ice

Curling is due for a revival in Georgetown this year. Last year the local club did not function very effectively because of a poor season for ice-making.
 At a meeting last week the club decided to use the artificial ice in the main rink this year and arrangements have been made for its use every Thursday. The opening games take place tomorrow, starting at 7 o'clock. A membership fee of \$15 has been set for the season.
 Last year's officers were re-elected at the meeting. Perc Cleave is president, Jim Hinchey secretary and Leslie Ellis treasurer.

GIVES CONCERT HERE BEFORE EUROPE TOUR

The beautiful tenor voice of Ronald Stewart was heard again in Georgetown Wednesday evening when he appeared in recital at St. John's Church auditorium. The Woman's Association of the church sponsored the concert.
 Mr. Stewart sang a variety of songs ranging from classics by Schubert and Massenet to popular numbers from Oklahoma and Brigadoon and showed to good advantage in the singing of "Road to the Isles" and "Shortnin' Bread" in his lighter numbers.
 This was one in a series of concerts which the Clarkson tenor is giving prior to leaving for an European tour in January. He will sing again in this district next Wednesday night in Norval Presbyterian Church.
 Miss Jeanne Stensson was an able accompanist and in a group of three solos which she played following intermission thrilled her listeners particularly with Godard's difficult Chromatique Valse.
 Rev. John M. Smith introduced the artists to the large audience which filled the hall.

Tells of British Trip To District Farm Meeting

Several members of the Georgetown fair board attended the annual meeting of District 5, Ontario Agricultural Societies in Brampton a week ago Saturday. They included Perc Cleave, Nelson Robinson, Harding Price, Mrs. J. E. Elberly and Miss Charlotte McCullough.
 An interesting feature of the day was a talk illustrated with slides, by Alex McKinney of his trip to Britain last year as coach of the champion plowman. Mr. Robinson explained how Georgetown had used the commercial feature grant to sponsor a commercial dairy calf competition for juniors, and other fair members explained how their grant given to this is a special grant given to a fair for featuring competition in a product grown in the area.
 V. A. Ellis, Collingwood was elected district director, replacing J. N. Duncan of Milton. Edwin Harrop, Milton is the new associate director. Miss McCullough is again secretary.
