MRS. SAUNDERS STILL LEADING LADY BOWLER

This week three teams, Flying Saucers, Pantry Raiders and Tom Totallers are tied for first place in the ladies afternoon league at the Lucky Strike Bowling Club. Each has 24 points. Hopefuls are right behind with 23 and Meteors shel-lacked Red Feathers to reach the 22 mark. Looks like the prediction of some excitement in the next few games is proving correct.

High single for the week went to Mrs. Lew Tracey, 257. Mrs. Harry Shortill rolled 242 and Mrs. Jack Saunders 222.

Mrs. Saunders took high triple with a 600 score. Mrs. Doug Sargent and Mrs. Al Zervavley were runners-up with 569 and 559.

High average is still held by Mrs. Saunders, who after her 600 triple jumped her average from 181 to 184. Mrs. Gord Harley's 175 takes second spot and Mrs. Herb Hancock is in third place with 174.

"Backstage Party" for New Faberge Perfume

To officially open their new \$300,000 plant on the Queen Elizabeth highway near Toronto, Faberge Perfumes held open house for their dealers recently. Mrs. R. W. Robb and Mr. and Mrs. Stuart Young represented Robb's Drugs which has the exclusive agency for the company products in town.

Faberge, at the same time introduced a new perfume "Act IV" and cleverly named the evening a backstage party to tie in with the new product. Guests entering the building were greeted with stage door props and a real doorman. Members of the cast of Oklahoma lent an authentic atmosphere to the party and entertained during the cocktail hour while ballet dancers waited the new perfume through the room.

After a buffet supper and a tour of the building, an orchestra played for dancing.

Robb's is featuring Stage IV in window display and newspaper advertising this week in town.
