MACKENZIE NEWS

This is the time of year when we like to sit inside in comfort and say "let it snow — let it snow."

There are several things you can do at modest cost to add to the comfort of your home. To put granulated rockwool, 2" thick over a ceiling of a house size 24x32 would cost \$32.50. For less than \$20.00 you can put on a combination screen and storm door, including the hinges and lock. For \$29.00 plus installation you can buy a Step-Saver draft control for your furnace. This control has the cut-off in case of power failure, keeps your home at an even heat and allows you to wake up to a warm house.

See your Christmas shopping. The Legion Ladies sale would be a good place for it.

Businessmen 4 — Provincial 1
Provincial dropped their first game of the season to Businessmen last night in the mercantile hockey league. Attired in their new uniforms the winners were never headed and only a dazzling display of goal-keeping by Pic Dillon kept the score down. Denny Wright scored a nice goal for Provincial on a breakaway and added another point in his race for scoring honours. Wylie of the papermakers team was in the penalty during every Businessmen goal.

Alliance 5 — S&S 3

Alliance, still undefeated, took Smith & Stone 5-2 in a hard fought game. Wilson, Chaplin, Crichton and Jack King were not in the S&S line-up. Gord King gave a great display of puck stopping and Hepburn played an outstanding game on defence for S&S.

Baxter Lab 3 — Norval 1

Acton's Baxter Lab scored their first win against Norval who could not make their shots count even though they were in the Acton end time and time again. Once again goal-keeping was prominent as Vezina trophy winner Carman Malby turned in a display that bordered on the sensational.

Scoring Leaders

Wright and Wylie of Provincial are tied for scoring honours with 5 points each in the industrial league. Eight players each have three; Cleve of Provincial, Vary of Norval, Masters of Acton, Barry and Hamilton of Businessmen, Norton of S&S, Muir and Norton of Alliance.

Notes on the Game

Pat Patterson and Andy Bellemmer handled Monday's intermediate hockey fixture and as always were greeted by the lady fans alongside the penalty box. There have been some referees refuse to come back to Georgetown because of the old saying "Hell hath no fury like a woman scorned," so Pat turns on the charm every time he skates by.

Dooney Evans, in goal for Milton still knows what to do but he didn't do it fast enough. He was weak on several shots, perhaps due to Turk Broda mid-section trouble. There were times when Dooney was flat on his back, struggling to shift his weight so he could rise, and you could see doubts in his team-mates eyes whether he would make it.

Binsell, a Brampton boy who has played here was in a Milton uniform. Also Ollie Raine, originally from Streetsville, and a lacrosse star. Art Murdoch, who has played for Fergus, Georgetown and Brampton and Jack Kentner, an Acton Tanner who played a few games for Raiders last year are also signed up, along with Chuck Currie and Art Melanson. Another ex-Raider Fred Lever alternates with Evans in goal.

The Raiders didn't dress Rene Martin, Mel Beaumont and Blackie Graham for Monday's game. Clem Dwyer has recovered from a spell of virus pneumonia in his eye.

LEGION NOTES

(continued from Page 7)
way to put it, isn't it fellows? We think, seriously, that this meeting will do a lot of good, and will at the least relieve the "air" somewhat. Anyway, that's one meeting the press wants to hear. In fact, we are sorry that it couldn't be thrashed out the same night, but it was the wise course to leave it till later, because a great deal could (and would, no doubt), have been said, on both sides, and the usual punctual 9 to 9:30 adjournment would have been a forgotten thing.

On Sunday, November 18th, a meeting of the Imperial Section of Branch 120 was held at the home of Comrade Tom Herbert. The Sick Report was given by Mrs. Thomas Grieve.

Under general business it was decided to institute an Imperials Travel Fund, to pay for the annual outing taken once a year by the section. It was decided that this year coming it might be a good idea to make it a week-end trip. Anyone interested should get in touch with Mrs. Grieve or Jim Murphy.

Delegates to Brantford appointed were — Jim Murphy, Mrs. Grieve, Alex Taylor, Pat Heelan, and Jim Dickenson.

A very nice thought was expressed by Tom Herbert and Mrs. Grieve when they suggested sending a wedding present to a former member, Tom Goodlet, recently married to Calgary. This was passed unanimously.

The next meeting will be held at the home of Mrs. Tom Grieve, on Sunday, December 17th.

All Imperials urge any recent arrivals in this district interested in joining the Imperials to get in touch with any member, or enquire at the Legion Hall.

Forum Praises Work Of County Health Unit

A discussion on medical services in the community was held by the Check Line farm forum at their Monday meeting. Miss Gillespie, head nurse of Halton Health Unit was present to lead the discussion with the fifteen members present. The group believes that the county is adequately served by doctors that hospital facilities are good although there is a need for hospital accommodation for the chronically ill, but that there is a need for more dentists and for more visiting nurses.

Halton Health Unit is looked upon as a model and its staff and administration came in for praise from the forum. The meeting was held at the home of Mr. and Mrs. Denney Charles.

CARDS OF THANKS

KENNEDY — I would like to take this opportunity of thanking all the kind friends and neighbours for their many acts of kindness. Special thanks to the ladies of the Smith & Stone pottery department for fruit, candy, flowers, cards and visits while I was in the hospital and since I returned home. Thanks a million, everyone. — Mrs. John Kennedy.
