CHRISTMAS CARD SALE WILL FINANCE BUS TRIP

Grade Eight students have just completed sales of Christmas cards. Marilyn Cleave, captain of the "Reds" led her team to victory with a total sale of \$88.00 worth of cards. Patricia Willson's team of "Blues", succeeded in selling \$58 worth of cards. Losing team will entertain the winning team to a Christmas classroom party. The purpose of the competition was to raise funds to finance an educational bus trip in the spring.

A very attractive wall decoration made by Principal H. Henry, has been put up in the lower hall. It is a three-dimensional coloured paper Santa Claus head which has brought many gleeful comments from the younger boys and girls.

The staff and students of Georgetown Public School welcome Mrs. H. C. Wrigglesworth, who has assumed classroom duties in Grade 4.

A donation of \$13.67 has been forwarded to the Navy League of Canada from the pupils of the school.

During the month of November best attendance was recorded in Grade VI, Miss W. Stull's classroom, with 97.63 per cent. In second place was Grade VI and VII, with 97.07 per cent, the class of Miss L. Campbell. All class reports showed attendance percentages well up in the nineties.

Films shown last week to senior pupils included 'Prairie Provinces' (geography); 'The Digestive System' (health), and 'Conservation' (natural science). These film strips form either suitable introductions or conclusions to a series of lessons.

Some classes have been able to utilize the radio broadcasts prepared by the Department of Education. Among those heard are Current Events on Thursday morning, 10.05 to 10.15 over CBC, Travel Talks and Book Reviews.

The purpose of these broadcasts is to strengthen the sense of Canadian citizenship among boys and girls at school.

The Eager Eagles, a Red Cross group in Miss L. Campbell's room had a meeting recently to plan a Christmas classroom party. Executive of the Eager Eagles follows — Marna Mackenzie (president), Carole Benham (secretary), and Betsy Willson (treasurer).
