THOUSAND CROWD BRILL XMAS PARTY

An estimated one thousand children attended Brill's Christmas party on Sunday afternoon at the Roxy.

The crowd was so unexpectedly large that Santa, who had planned to give a colouring book and a candy cane to each child present had to cut the gift in half in order to make everyone happy.

After gifts were distributed, a program of coloured cartoons and a full-length feature "Alice in Wonderland" were shown.

MACKENZIE NEWS

The weatherman means that we should stay at home on Saturdays and save our money.

Why not give your kitchen the new look? New slab plywood doors could be put on your present cupboard at a cost of 50c per square foot would make it modern in appearance and easier to keep. An Arborite counter top and Duratite between the counter and cupboards and your kitchen could look as sparkling as those in the magazines. Arborite is 60c per square foot and Duratite 40c per square foot. Come in and see the colours available.

Do I see you with a ticket on the Lions Club Christmas tree draw?
