As a Christmas shopper I'm tops. I never make a mistake. My gifts to friends and relatives are always exactly what they want. My secret? Listen . . . I send Royal Bank Money Orders, with a personal card of course. They get the cash and buy just what they want. That makes everybody happy. Best of all, I can buy Royal Bank Money Orders for as little or as much as I like, an important consideration these days. So if Christmas shopping gets you down, try my simple solution. Your nearest Royal Bank branch will be glad to co-operate!
