Halton Juniors Consider Building in Milton

At a recent meeting of the county Junior Farmers held under the leadership of president Stanley Jay, plans were made for an active programme during the coming months. This includes a skating carnival in the Milton Arena on January 25th; a Mock Parliament in the Milton High School on February 9th; and a banquet in the Trafalgar Township Hall on March 9th; their annual seed judging competition in the Milton Town Hall on Saturday, March 17th; followed by their annual Church Service on March 18. Then comes their annual At Home in the Brant Inn on April 12th. Along with all this they are also considering the possibility of raising sufficient funds to build a Junior Farmer Building in Milton where all agricultural organizations might make their headquarters and hold their various meetings and functions. All in all, it is an ambitious programme which will have the support of all farm leaders.
