## FARM FORUMS Halton Farmers Believe Advertising Necessary

by Mrs. Roy Ellenton  
Halton farm forum groups, after a Christmas recess settled down to thinking of the marketing situation as it affects the farmer at their meetings last week. Seventeen forums forwarded reports to county headquarters.

Questioned on what should be done to ensure future markets for surplus products in the county, forums submitted a variety of answers. S. S. 7, Nassagaweya, thinks a farmers' corporation to take charge of marketing and distribution from grower to consumer by-passing the middleman, is the solution. Another suggestion is the appointment of boards to operate in foreign countries, under supervision of the Canadian Federation of Agriculture.

Other ideas put forth include: advertising and investigating every possible market; lower prices, if wages and machinery costs can be lowered accordingly; improved storage facilities; more control of oil imports to lessen production of margarine, or the banning of its manufacture altogether.

Farmers believe milk is the greatest surplus commodity in this district and the Milk Board should give this their consideration. The forums were asked for opinions on the present advertising policy of dairy farmers, which is financed by individual farmer contributions. North Trafalgar admitted the benefits of advertising, but not so much in farm papers, and suggests cook books be placed in every city mail box emphasizing the use of milk and eggs. They also suggest billboard advertising and the use of the front page of daily papers across Canada for one day to advertise like the old dickens' Ligny forum is in agreement with Trafalgar and thinks all farmers should share in advertising costs because all will benefit.

Hornby forum agrees to advertising farm products, saying that nowadays people buy by high pressure advertising whether it is cars or coconuts. Kelso is of contrary opinion, believing the increase in profit from more sales will not equal the advertising cost.

### INCREASE SHOWN IN AID SOCIETY WARDS

A total of 128 children were cared for by Halton Children's Aid Society in December, an increase of nine from a year ago. Ninety-five home visits were made and two legal adoptions were completed.  
 President E. D. Mahon was in charge of the January meeting held in the society office in Milton last Tuesday. December accounts amounting to \$1768.00 were passed for payment and by resolution the president and secretary were authorized to sign the formal consent for the adoption of a society ward.  
 The board was informed that at Christmas time \$43 in donations had been received and with this money seven baskets of food supplies were provided to needy families with children in the county.  
 Approval was given for the superintendent, G. F. Thompson to attend a workshop for superintendents being held in Toronto the last three days of this month. The provincial Dept. of Public Welfare is sponsoring this.

### NORVAL Receipts Over \$3400 United Church Reports

Receipts of slightly over \$3400 were reported by the various organizations of Norval United Church when the annual meeting was held Friday in the church. Rev. Alex F. Cowan is minister of the church, as well as of the Glen William United Church. Reports presented at the meeting included those of the treasurer, Howard Laidlaw, the Sunday School, Young People's, Women's Association, Missionary Society, and Mission Band.

A hot dinner was served at noon to members of the congregation by the church ladies, followed by a devotional service led by Mr. Cowan, who also was chairman for the business meeting.  
 Mr. H. G. Lyons, clerk of the session, reported over one hundred members in full communion and expressed sympathy for the families of the late John Alexander, Everett Barnhill, and George Sharp. Other members of the session are Lt.-Col. A. L. Noble, James Hyatt, James Laidlaw, W. P. Laidlaw, Earl Hyatt, M. Guy Wilson and N. T. Laidlaw.  
 Lorne Cleave, William Hyatt, Howard Laidlaw and Hartley Cameron were re-elected to three year terms on the board of stewards and W. E. South was elected for a one year term to fill the vacancy caused by the death of Mr. Sharp. Other members of the board of stewards are Hamilton McLaughlin, George C. Brown, A. E. Carney, Earl Hyatt, N. T. Laidlaw, Wilbert Cleave and William T. Graham.

The board of trustees of the church is composed of Lorne Cleave, W. T. Graham, George C. Brown, James Laidlaw, Col. Noble, N. T. Laidlaw, and Thomas Cascarden. Mr. Wilbert Cleave is Sunday School superintendent, Miss Marion Pomroy organist.  
 After the meeting the new board of stewards held a short meeting to elect officers for this year. Mr. McLaughlin who conducted the business of the board ably in 1950 was asked to carry on, but he thought new men with new ideas would be of benefit to the church. W. T. Graham was elected chairman, Wilbert Cleave treasurer and George C. Brown secretary.

### FARM NEWS Many 1950 Activities For Guernsey Breeders

The Hornby Hall was the mecca for all Guernsey enthusiasts of Halton and Peel on Tuesday of last week. Over one hundred attended the mid-day turkey dinner ably catered by the members of the Hornby W.I. President Art Spencer, secretary-treasurer Ken Marshall, and their fellow officers came in for words of commendation from every side. Their programme during the year included two barn meetings, a social evening, a breed picnic, a Club sale, and their county or club show which according to Bruce Hodgins of the Ontario Guernsey Club, was the largest club show held in the Province in 1950. Along with all this activity it was most gratifying to note from the financial statement, a balance of nearly \$500. Dr. A. R. Campbell, secretary of the Canadian Guernsey Club, also brought greetings and a message of interest to those in attendance.

Rev. David Gallagher, formerly of Oakville, and now in charge of Overseas Missions for the United Church, was the guest speaker. His topic entitled "Agriculture in Other Lands" took the form of an illustrated address with particular reference to India, China and Japan, which he had visited two years ago. The programme also included some excellent films in technicolor on "Loafing Stables" and "No Stripping". The latter film was based on the outstanding work of Dr. Peterson of Minnesota. Both films were shown through the courtesy of the Sarge Milker Co.

The election of officers for 1951 resulted as follows:  
 President - Arthur Spencer  
 Vice President - John McNabb  
 Sec'y-Treasurer - K. G. Marshall  
 Directors, Halton: J. L. Chisholm, Joyce, Wm. G. Booth, Gordon King, M. S. Alton, John Lillycrop, Peel - J. G. Jarvis, John Brownridge, Wm. T. Booth, and J. Armstrong.

### FARM NEWS Expand Farm Production For Growing Population Says Deputy Minister

C. D. Graham, Deputy Minister of Agriculture, was the guest speaker at the annual meeting of the Halton Holstein Club in the Trafalgar Twp. Hall on Wednesday of last week. President H. Craig Reid presided over the twenty-fifth annual meeting of the Halton Club which almost filled the Trafalgar Hall to capacity.

Mr. Graham in his constructive address reviewed the agricultural situation in Canada, pointing out that while there had been a tremendous expansion in both agriculture and industry in recent years, production has not kept pace with the increase in population. He further pointed out that while one-third of our production is exported, two-thirds of our exports in 1950 had gone to United States in contrast to one-half in 1949. Ontario, Mr. Graham stated, now has a population of 4,600,000 people and is gaining ten to twelve thousand monthly. The future of the livestock industry he stated is based on a programme of health, nutrition and a breeding programme. Forty percent of the Holsteins registered annually are exported. Ontario farmers must become variety conscious when considering grasses and legumes.

Nine Long Time Production Certificatees were presented to H. Bingham & Son; F. Pelletier & Sons; Johnson Neelands, Ross Segsworth and E. F. Ford.  
 The meeting went on record in favour of the proposed regulations which after December 31st, 1951, will permit the registration of bulls only from dams qualified under ROP or some other recognized form of cow testing and in addition, the dam must grade good plus or better under Selective Registration.

The newly elected officers for 1951 are as follows:  
 President - Albert G. Hunter, Freeman  
 1st Vice Pres. - J. F. Trumble, Streetsville  
 2nd Vice Pres. - Wm. Mahon, Campbellville  
 Secretary - Treas. V. J. Lawrence, Oakville  
 Directors - Elias Easterbrook, Ross Segsworth, Gordon Simlan, George Pelletier, E. F. Ford, W. H. Biggar, A. T. Woodley, W. W. Thompson, R. C. Alexander, H. Craig Reid, F. O. Hunter, and C. F. Pickett.
