### Leaders Training Course For Junior Homemakers

A Training School for the Leaders of the Homemaking Club unit, "The Club Girl Entertains", was held on Monday and Tuesday, Jan. 29th and 30th, in the Farmer's Bldg. Milton. This unit is the Spring project selected by the junior girls of Halton County and is presented under the auspices of the Women's Institute Branch, Department of Agriculture. Ten leaders from six clubs in Halton County were present at this two-day training school.

In this unit, the principles of hospitality and good manners were covered, along with the duties of the hostess and of the guest at a formal or informal tea, a party or club activity, or over a week-end. Invitations and acceptances — both formal and informal, were discussed, and suggestions for party decorations and menus were given, including a demonstration of fancy sandwiches. Tuesday afternoon the leaders presided at a formal afternoon tea. Table setting and service and table manners were also covered in this unit. The leaders will now organize a club in their own community, and will hold from eight to ten meetings during the coming months. The girls participating in this activity will then exhibit and participate in activities at the Achievement Day in June. All girls between the ages of 12 and 28 are eligible to participate in this club activity. If any girls are interested in taking this unit they should contact Miss Ruth Hunt, Home Economist, Department of Agriculture, Milton, Ontario, or one of the leaders in their community. The following leaders were present at the Training School: Miss Wilma Johnstone, Mrs. L. May, Hornby; Mrs. F. Brown, Mrs. S. Kirkpatrick, Limehouse; Mrs. E. R. Burke, Mrs. Gollop, Norval; Miss Anne Pelletier, Ash; Mrs. M. Featherstone, Mrs. D. Colling, Norval; Mrs. F. Weller, Mrs. Stewart, Drumquin.

### UPHOLDS WORK OF BOARD OF PARKS

Dear Mr. Editor: With your permission, I would like to address a few comments to "Interested Taxpayer" and any other interested persons. The inferences made in his or her letter regarding the Parks Board, are in my opinion definitely out of place, when he hasn't the courage to sign his name to his remarks. The Parks Board has, in my opinion, done a remarkably fine job for Georgetown in putting the Arena on a paying basis for the first time in its history and keeping it there.

The men responsible for this, Bill Bell, Jack Gibbons and several others, have devoted hundreds and hundreds of hours of unselfish labour to this project. Would "Interested Taxpayer" be prepared to do the same? Granted the Parks Board have made mistakes don't we all? But at the same time they have, and are providing the town with ice facilities, never before available, at a great saving to all taxpayers. C. Davidson

### Flour Mill History Recounted at Meeting

The February meeting of the Norval Women's Institute was held recently at the home of Mrs. Lawrence May with a good attendance. The president, Mrs. Wilbert Cleave was in the chair. The meeting opened with the Institute Ode and the Mary Stewart Collect and the Roll Call was answered by relating the interesting facts on "What I Remember of my Grandparents". During the business discussion money was voted towards the March of Dimes campaign. Several members showed their work on Needlecraft and Weaving. Mrs. E. C. Reed gave a paper on Historical Research in which she told of the beginning of the Norval Flour Mill and its founder, the late Robert Noble, and also of the progress in milling flour from the old way to the modern. This very instructive address was much appreciated.

With the singing of the National Anthem the meeting was brought to a close and the hostess and her assistants served lunch. The March meeting will be held at the home of Mrs. Will Reid.

### SERVES IN SAME REGIMENT AS DAD

He was home on leave last week-end from Barzeield Camp, Kingston, where he is taking a motor mechanic course with the RCME. His father served overseas with the same unit in the last war.
