EXPLORERS GROUP GROWS AT CHURCH

On Sunday evening, February 25, girls of the Explorers attended the Youth Service at St. John's United Church where ten of the girls received their red stars. These are given after the girls have been Explorers for a year and have lived according to the Purpose.

Ten new girls have joined and members are now divided into groups according to the length of time they have belonged. Points are given for attendance, uniform, etc., and the winning group receives a star at the end of the month.

The girls have completed their study book on Japan.

Local School Supports Junior Red Cross Drive

A province-wide campaign for funds is being held by the Junior Red Cross Organization. Each child is asked to contribute whatever possible, but donations are voluntary. Each school in the county will forward their collection to Inspector L. I. Skuce, who in turn, will send it to the Red Cross headquarters in Toronto. It is to be used for equipment for the new Sick Children's Hospital in Toronto.

Last year \$911.06 was contributed by Halton County alone during a similar campaign and it is hoped we may again do our share as in former years.

ST. ALBAN'S GUILD HOLDS SUNDAY SUPPER

St. Alban's Ladies Guild met in the parish hall Tuesday of last week to further their plans for purchasing new dishes and silverware. Something new for the Guild was the supper, which they sponsored in the parish hall on "Mothering Sunday". Originally planned for the week before, it was postponed because of the sudden death on the previous Friday of Matthew Beaumont.

In the absence of Archdeacon W. G. O. Thompson, Mr. H. F. Beaumont opened the supper with the Grace. A large crowd sat down to tables decorated with lovely spring flowers. The older girls of the Sunday School served the meal.

Women are important taxpayers today. In the state of Connecticut for instance, a woman's tax is subject to 150 government taxes in one form or another.
