Review Local Industry At Institute Meeting

Wednesday afternoon, March 7th, was Agriculture and Canadian Industries day with the Georgetown W.I. at the home of Mrs. Seward Wilson, Guelph Street, Mrs. Wm. T. Sinclair being the convener.

Mrs. R. T. Paul gave the current events. An article on cows and pigs was quite amusing and full of common sense. She also gave an extract on the Hospital for Sick Children.

Mrs. Wm. T. Sinclair and Mrs. Albert Livingstone both read stimulating poems on the motto for the day "If you give joy away it will come back to you."

Mrs. Sinclair then said that although Georgetown was closely surrounded by farms, and although agriculture was her first love, she had to admit that Canadian industries would probably be more interesting to most of the members. She read the following:

There are two separate companies operating in the old mill buildings, one being William B. Ackerman Limited and the other being Commercial Chemicals Limited. William B. Ackerman Limited is mainly engaged in the manufacture of steel office equipment and small electrical appliances such as range-cettes and hotplates. Employ about fifty people, about 90 per cent of which are local residents. It was their aim to continue expanding the business and so employ considerable more local people. Commercial Chemicals Limited is engaged in the manufacture of commercial paints and finishes. One of their lacquers is handled every day by a great number of people on the well-known Venus pencils. There are six people employed by the Chemical company, half of which are local employees. Kindness of Mr. Harry A. Sheppard, office manager.

Mrs. A. Semple then read a paper on coated papers, which was very interesting. It said in part, Coated Paper is manufactured in Canada in only two places - Georgetown and Toronto. There are two plants in Georgetown, Alliance Paper Mills Ltd. and Provincial Paper Ltd. and between them they produce 80 per cent of the coated paper made in Canada. Coated papers made in the two mills in town finds many uses. A few of these uses which we see daily covers for Eaton's and Simpson's catalogues; chocolate bar wrappers for Neilson, Cadbury, Willards, Rowntrees, etc., magazines and periodicals; covers for pocket novels; menus; Birk's catalogues and many industrial manufacturers catalogues; advertising cards in street cars; railway tickets; labels for nearly all canned goods. The consumption in Canada of all kinds of paper is tremendous, and amounts to nearly 300 lbs. of paper per person per year. Only one country exceeds us in consumption - the United States. It is interesting to remember that whenever you see an eye-catching candy wrapper, a beautifully illustrated jewellery catalogue or an attractive label on some canned goods, the chances are four to one the coated paper was made right here in Georgetown. For this information, as well as considerably more, the Institute is indebted to Mr. Stanley A. Finlay, B.A. Sc.

It was moved that the Institute again take membership in the Children's Aid Society, at Milton. The Institute was addressed by Mr. R. S. Heatherington, representing the Halton Cooperative Medical Services. He told of the growth of the association, and explained its advantages.

A dainty lunch was served by the committee, Mrs. A. Livingstone, Mrs. S. Robin, Mrs. A. Semple and Mrs. R. T. Paul.

All went home feeling that Georgetown was important to Canada and that its industries were necessary to the well-being of Canadians.

INSTITUTE EUCHRE SUCCESSFUL EVENT

The Women's Institute held a very successful euchre and dance in the Community Hall at Stewarttown on Wednesday evening, March 7th. Thirty four tables of euchre were played, winners being, Ladies Mrs. Vern Pickett and Mrs. Bob Alexander, gents, Mr. Ken Ella and Mr. John Pickett, Hornby Lunch and then dancing to Doris Hull's orchestra with the lucky spot dance winners being Mr. and Mrs. John Mee Nable. The committee in charge of the evening were, Mrs. W. Stringer, Mrs. T. J. Brownridge, Mrs. Thos. Giffen and Mrs. W. Bird.

A service for Young People was conducted in the United Church on Sunday morning with members from Hamilton Presbytery in charge, Mr. Archie Harn read the Scripture from Matthew, chapter five, the 1st 16 verses and Miss Lois Harrison spoke on "Where do we belong in the church?" Challenging all young people to be true to their church and have Christian Fellowship with God as the older folk are looking to them to carry on the work of the Church. She ended with the selection "God has no hands but our hands." The choir of Young People sang a number and Rev. Fred Ainsworth closed with prayer.

Visitors at this service were Mr. and Mrs. M. G. Wilson, Ruth and Earl of Norval, Mr. and Mrs. Thomas Alderson of Bethel, Mr. and Mrs. Hartley Anderson and son Peter of London, Ontario.

Are we going to have spring? Quite a number of robins have been seen and one day last week we saw a groundhog gaily cavorting around one of the fields.

MAJOR BOWLERS COMES CLOSE TO BROTHER'S RECORD

Bob Hall nearly beat his brother's record for the season's high game last week in the major bowling league. Bob rolled 375. Joe still holds the record with 376. Bob did cop high triple with 858 (204-375-279) topping Bill Anderson's 842.

Rolling other excellent scores were Tom Wylie 328 and Ace Bailey 303.

Good triples included Tom Wylie 707 (328-201-288), Ace Bailey 733 (183-247-303) and Jim Bradford 711 (231-243-237).

A name that has been absent from the coldma for some time is back again. Maurice Herbert rolled a brilliant 132.

All Kirby's team rolled high team single and triple, 1216 and 3405.

Anderson's team took another loss when they dropped 5 points to Kirby, Wilson and Bailey's teams took a closer split, Wilson taking 4 and Bailey 3. Team scores are now: Anderson 83; Bailey 74; Kirby 71; Wilson 52. With the teams drawing much closer there promises to be excellent competition in the future.
