**Legion Notes**

**THE REGULAR** monthly meeting of Branch 120 was held last Thursday night at 8 o'clock, with president Dave Bowman presiding, and Secretary Wallace Thompson and Treasurer Bill Honey in their respective chairs.

This meeting we think hit an all-time high for poor attendance. It was certainly a poor turnout for the last meeting of the Legion year, especially as the annual report by the firm of chartered accountants was tabled that night. Let's hope to see a lot more at the next meeting.

After the opening ceremonies had been concluded, reports from the various committees were heard from including Sick, Entertainment and Property, all of which were good.

Under general business it was decided to order more chairs (50) for the television room to replace the present ones. This is certainly a good move and will be appreciated by all the "Hopalong Cassidy" and "Cisco Kid" fans as well as those regulars for the fights and wrestling matches. Those old chairs were just a bit hard on the back.

Also discussed at this meeting was the possibility of arranging for the Auxiliary to see the Television set on certain nights. This has at least one main snag, in that at present it is in a licensed room and under the Liquor Control Act no one can use that room. However, we understand it will come up before the executive in the near future and see if some arrangements can be made.

The meeting was a brief one, as there was not too much business to look after, and closed at 8.45.

**THE ANNUAL** election of officers and committees was held last Sunday and the results appear in another section of this issue.

**AFTER THE** election we had a group of the boys approach us and say they'd be attending meetings faithfully BUT they'd like to be notified through a card of meeting notice as a good many lodges and other organizations do. Asked 'em why they didn't read it in the Herald, but they assured us they did but sometimes the paper was late and they didn't see it till too late . . . (tsk, tsk, boys, don't try and tell us we're ever that late!). However, we think that a notice might be a good idea, and believe that it might be given a try, at least BUT if it is, remember we'll expect 100 per cent attendance from those who requested same!

**EXPECT GREAT** things from the new firm in charge of the sports department, Tomlinson & Patterson and Company. This is what we think could develop into the biggest single job in the Legion, and Scotty and Eric should do a fine job on it. In the past it's always been a one-man job, and he usually found himself going around in circles trying to arrange everything by himself. It was the general wish of the meeting to split the job and let the boys pick a committee to handle the individual sports. Among other things we hear them talking, in terms of cribbage, bridge, chess, horseshoes, and a pool tournament, as well as the old reliable darts, and ball. So fellows, when the boys want a bit of help, give them a hand.

**WE WERE** asked to explain what happens in this column under the new publicity and advertising man, Wilf Hillis. The answer is not a thing. This column is just a feature of the Herald as a weekly report of Legion happenings and does not come under the Advertising chairmanship. Wilf (with his committee) are responsible for advertising any events the Legion may hold from time to time, which is a good time to remind our readers that it's news AFTER it has taken place, and advertising BEFORE the event.

**TED ROGERS** tells us he has word that his son, Bob is now in Korea. This makes the second Georgetown lad that we have in Korea. Ted promises to let the Herald have a letter from the boy for a news item in the near future.

**ONE** of the Commodores who suffered a nasty break in the ankle some time ago, is able to get around again. Glad to see you able to get about, Dean Harley.

**IMPERIALS PLEASE** note! Annual meeting and election of officers is to be held next Sunday afternoon, at the home of Pat Heelan. —Les Clark

**Capt. Rawson is Speaker At Annual Entertainment**

The Annual Entertainment sponsored jointly by the Halton Holstein Breeders and Halton Milk Producers was held in the Princess Theatre, Milton, on Wednesday evening of last week, and as usual, had a capacity house. A. G. Hunter, president of the Halton Holstein Breeders, extended a word of welcome and took charge of the presentation of the E. J. Meagher Memorial Trophy. The actual presentation was made by Bert Brunsdon, manager of Graymar Farm, Oakville, to Messrs. J. F. Trimble, Trafalgar Township, and Ross Segsworth, of Freeman, who were the joint winners in 1950.

M. C. Beatty, president of the Halton Milk Producers, was the able master of ceremonies for the outstanding programme, which consisted of a skit entitled "S.S. Bermuda", presented by the Palermo Junior Farmers; Nancy Lou Gill and Larry Kendall, a versatile pair of juveniles from Brampton; Mr. and Mrs. John Asher, of Port Credit, in solos and duets; and an acrobatic team called the "Nixbees". The guest speaker, Capt. the Rev. Norman Rawson, is an old favourite of Halton audiences, and if anything surpassed any previous effort locally. Capt. Rawson's ability as a speaker is too well known to need any eulogy here. His appearance in Milton was the 45th consecutive night he had spoken somewhere in Canada or the United States. Along with his wit and humor he presented an interesting picture of conditions in Great Britain, Germany (both in the United Nations and Russian areas), Italy and other European countries, which he had personally visited during the past summer. All in all, it was a delightful programme and well up to the high standard established by the sponsoring organizations in former years.
