#### MISSIONARY'S LIFE REVIEWED BY WMS

Nineteen ladies braved bad roads and weather to attend the Easter thank-offering WMS meeting at the home of Mrs. A. W. Benton on Wednesday evening. Scripture was read by Mrs. Smethurst and Mrs. Mitchell led in prayer. Mrs. E. McDermott obliged with two solos, Mrs. Roughley accompanying her. Guest speaker was Mrs. R. Corbett who chose the life of work of Wm. Carey, known as the father of foreign missions. He was responsible for taking Protestant mission work into India, translating the whole Bible into six languages and the New Testament into twenty-one. He himself could write and speak twenty languages. This adventurous, nature-loving Baptist had crowded an unbelievable amount into one man's life.

President, Mrs. H. Norton introduced the speaker and conducted the meeting. Mrs. Roughley thanked those contributing to the program and the hostess. A social half hour was enjoyed at the close.

The WA meeting was held at the home of Mrs. Mills on Tuesday evening of last week when plans were made for catering at a banquet in the near future.

Recent visitors include: Mr. and Mrs. Hedley and Mrs. Hedley of Brampton with Mr. and Mrs. McDermott.

Mrs. McQuillan, Mr. Roy McQuillan and Miss Grace Butler of Lansing with the Mitchells.

Mr. and Mrs. Alex Henderson of Orangeville with the Russell Thompsons.

Mr. Wm. Newton of Barrie with his mother.

Mrs. Seddon of Vancouver, formerly of Shanghai, China, with Col. and Mrs. Bourne.

### MACKENZIE NEWS

I know where the flies don't go — and that is away. They seem to crawl into some cozy little crack just waiting on the first warm day to appear again.

Be one step ahead of them this year by putting on a combination door early. A door 2-8 x 6-8 x 1 1/2" thick complete with copper screen and glass in the sash costs \$17.25. For 2-10 x 6-10 size the price is \$17.80. A pair of hinges costs 70c and a combination door lock \$2.10. For a cash outlay of \$20.00 you get a full thickness door with interchangeable copper screen and storm sash. This expenditure will pay off in every day of the year in comfort and convenience.

### GLEN WILLIAMS

#### Marks 90th Birthday At Glen Williams

A gathering held at the home of Mr. and Mrs. Waldo Diggins Sunday included Mr. and Mrs. Victor Diggins, Port Credit, Mr. and Mrs. Fred Leece and family, Brampton and Mr. and Mrs. William Diggins.

The occasion was the 90th birthday of Mr. William Diggins, who is in very good health and very active. The Diggins family lived in College View, Georgetown for many years until they sold their large home there a few years ago. They have a family of five sons and one daughter: Victor, who has two children; Hugo and Omar, both married and living on adjoining farms at Belleville; Bernard, the youngest, in the RCAF during the war and

now in his last year of an engineering course at a university in California; Waldo of Glen Williams; and Una, Mrs. Fred Leece, who lives with her husband and three children in Brampton.

This past winter Mr. and Mrs. Diggins have visited at Belleville with the two families, and they are now visiting at Victor's home. The Diggins family is gifted with a wonderful talent for music which has been inherited in the younger generation. This week at the Kiwanis Music Festival at Port Credit, Waldo's two children, Sylvia and David played piano solos and did very well. Two of Mrs. Leece's children also made good standings at the festival.

Doesn't seem much like Spring deners off the land and everyone is anxious to get to work.
