Silver's Celebrate 25th Anniversary

It was in May, 1926, that Mr. H. Silver, whose death occurred recently, settled in Georgetown and commenced business operations here.

From a humble beginning, this business has flourished until it is now one of the finest clothing stores in any community the size of Georgetown in the province. With its progressive merchandising and modern methods, Silver's caters not only to the Georgetown people but also draws customers from a wide surrounding district. It is a well-known fact that in recent years, Georgetown has become a shopping centre for a wider area than most towns of this size, and Silver's has played its part in attracting these shoppers to town.

In announcing the 25th anniversary, Silver's has planned a real celebration — 25 per cent reductions on any purchase made during this important event. It is a birthday celebration where everyone may participate to good advantage. The Herald wishes the Silver organization a "Very Happy Birthday."

Legion Notes

THE FIRST ball practice is to be held tonight for the Legion softball entry. Coach 'Scotty' Patterson and Eric Tomlinson in charge. Hear the boys have got quite a number to choose from this year again.

ANOTHER IN the popular series of Card Games each Monday night was held this week. These games are becoming more popular all the time. This week's winners were Earl Emond (two weeks in a row) and Ormie Carter. Had a complaint from Bill Ritchie . . . he said we had him winning a prize last week when he wasn't even here. That's OK, Bill, you're lucky we don't charge you for free advertising.

DARTS ARE ABOUT to come to the fore once more with the sports committee arranging a tournament. And incidentally, fellows, they both could use a little extra help on running some of these events. How about it?

BUFFALO TRIP coming along — and all preparations well in hand. This has become a much looked-forward-to trip for the Branch.

UNDERSTAND THAT the Legion ball team plays Acton on the weekend following the 24th of May. See Scotty or Eric for details.

THE EXECUTIVE meeting to be held (tomorrow) Thursday night will iron out all the details for the annual Decoration Day parade.

FRIDAY NIGHT saw a fair attendance at the regular Friday night social.

NEWS IS VERY scarce this week, with not too much to write about. Once again, hand in any items of interest you may have.

LOCAL MEMBER Jack Ruddy, of the OPP, was in town for the week-end and dropped in to the branch to say hello to the boys. "Jawn" is at present stationed at Welland.

DON'T FORGET the monthly meeting is looming up again, fellows. Let's see every body on hand at this one, May 24th.
