

Six Attendants for Hamilton-Lane Wedding

Snapdragons, sweet peas and gypsophilla decorated St. John's United Church on Saturday for the wedding of Dorothea Maxine Lane and Jack Frederick Hamilton. The bride is daughter of Mr. and Mrs. Robert Lane, Georgetown, and the groom the son of Mrs. Laurine Hamilton, New Liskeard.

Rev. John M. Smith officiated at the double ring ceremony and Mrs. James F. Evans played the wedding music. Miss Jean-Harley sang "I Love You Truly" and "Because" during the ceremony.

The bridal gown was of ivory satin with fitted bodice of chantilly lace, matching lace panels falling

into a sweeping train. A long veil of tulle illusion edged with lace was held by a matching Juliet cap studded with pearls. She carried red roses and stephanotis.

There were four attendants, Miss Marie Roe, matron of honour, and Misses Marion Dickie, Sarah Wylie and Jackie Jennings, bridesmaids. They were gowned alike in nylon marquisette. Miss Roe in green and carrying white roses, Miss Wylie in yellow, carrying white roses and Misses Dickie and Jennings in mauve, with yellow roses. Matching headresses completed their ensemble.

Flower girls were the bride's niece, Lynn Masters, Acton and the groom's niece, Kathy Hamilton, who wore yellow organdy gowns and carried baskets of sweet peas, roses and pansies.

Mr. Gordon Hamilton, Brampton, was his brother's groomsmen. Ushers were the bride's brother, Gordon Lane and her brother-in-law, Lorne Masters, Acton.

The bride's mother received the guests at a reception afterwards in the Oddfellows Hall. She wore a grey and navy outfit and a corsage of red roses. The groom's mother was also in grey and navy, with a corsage of pink roses.

For a wedding trip to Buffalo and Rochester, N.Y. the bride chose a travelling costume of grey with wine accessories and a corsage of Johanna Hill roses. The newlyweds will live in Georgetown in an upstairs apartment at the home of Mr. and Mrs. R. Grace, Queen St.

NORVAL

Dora Marie Horley Marries Norval Man in Forest Hill United Church

Forest Hill United Church, Forest Hill Village, was the setting for a lovely wedding on Saturday, April 28th, at 3.30 o'clock, when Dora Marie Horley, of Orangeville, daughter of the late Mr. and Mrs. Walter Horley, became the bride of Herbert Roy Coupland, son of Mr. and Mrs. Charles W. Coupland, of Norval. Baskets of daffodils, Japanese iris and white snapdragons formed a fragrant setting for the ceremony, which was performed by Dr. H. B. Hendershott.

The bride who entered the church on the arm of her brother, Mr. Robert Horley, of Orangeville, wore a graceful gown of white brocaded satin, fashioned with a sweetheart neckline, and a moulded bodice and a full skirt that swept into a train. Her fingertip veil was of silk illusion and fell from a matching brocaded satin headress. She carried a cascade bouquet of orchids and Johanna Hill roses.

Mrs. Gladys Halbert was matron of honour for her sister. Her gown was a fitted model with bouffant skirt in daffodil yellow taffeta. She wore a matching headress and carried a nosegay of violet carnations.

The groomsmen were Mr. S. C. Peavoy, of Toronto, and the ushers were Mr. C. J. Horley, Port Hope, and Mr. B. Tringuno, of Aldershot.

Mrs. Robert Wilson, of Norval, played the wedding music and the soloist, Mrs. W. B. Allen, of Owen Sound, sang "The Lord's Prayer" prior to the ceremony and "Through the Years" during the signing of the register.

A reception followed in the church parlour where the bride's table was beautifully decorated with daffodils, iris, white snapdragons, and white tapers glowing in silver candelabra.

Mrs. Robert Horley, who wore a navy ensemble accented by a corsage of pink roses, received the guests assisted by the groom's mother, who wore a dress of grey facoonne crepe, matching accessories and corsage of pink roses.

For their wedding trip to Eastern Ontario and Washington, D.C., the bride wore a suit of French beige topped by a coat of tangerine wool, brown accessories and corsage of Talisman roses.

Guests were present for the ceremony from Owen Sound, Port Hope and Hamilton.

Mr. and Mrs. Coupland will live in Norval.

BOWL FOR MORRIS CAR LOCALS LEAD SO FAR

Bowling in a special mixed doubles tournament at the Olympia Club, Toronto, Pauline Norton and Harvey Chappel have high score of 1692 to date.

The competition, which will continue until the end of May has a fabulous list of prizes headed by a Morris Minor car and a television set. Players are handicapped, and the couple's combined triple, with handicap, is 1692.

Three other local couples also bowled in the tournament; Mr. and

Mrs. Cyril Brandford, Mr. and Mrs. Jack Saunders, Marnie Herrington and Al Norton.

A Pullman conductor, while making his regular rounds of the train, found a red lantern hanging

on one of the berths. He looked up the porter and said to him: "George, why is that red lantern hanging on the berth?"

"Well, boss," said the porter, "Rule 26 in the rule book says that you should always hang up a red lantern when the rear end of the sleeper is exposed."

Right from Yorkshire are most of the Yorkshire swine on E. L. Taylor's Kelmscott Farms, near Milton. Even the little fellow held by Mr. Taylor's daughter, Mary, is a first-generation Canadian. — Globe & Mail photo

Local Musicians Stand Well at Peel Festival

Several district musicians were competitors in the Peel Music Festival which concluded this week at Clarkson.

Piano and vocal pupils of Kenneth R. Harrison did exceptionally well at the festival. Sylvia Diggins, Lillian Shepherd, Gloria Schultz and Arlene Reeve all took honor standing in their piano solos. Anna Spitzer had first class honours in vocal for girls under 13. Paul Cunningham and Bob Hill took honours in vocal solo for boys.

Mr. Harrison also entered the St. Andrews Church Choir, Guelph, which he directs, and they won the cup. Awarding the choir 84 per cent, the adjudicator, Dorothy Allan Park, complimented the choir on their straightforward singing and good balance of parts. A male quartette and a mixed quartette from the church also competed and each won silver medals.

The Brampton Tonic Male choir, which appeared in recital here a week ago, won the cup in their class, scoring 88.

Mrs. Clark Lyons, Norval and Geraldine Kendall, Brampton, were prizewinners in several vocal solo groups. Keith and Tommy Leslie of Union, and Ruth Ismold, Norval, stood well in vocal solos.

HERE! MARTIN-SENOUR

Self-Cleansing White

HOUSE PAINT

WASHES ITSELF ... STAYS WHITER YEARS LONGER

DIRTY WEATHER MAKES IT CLEAN!

GET HELPFUL FOLDERS FREE!

Your Martin-Senour dealer has Color Cards for the complete range of Martin-Senour products, and Service Sheets giving detailed instructions on the correct use of paints, varnishes and enamels. Before painting, ask him for these and for any other advice you need. He'll be glad to help you.

YOUR MARTIN-SENOUR DEALER IS HEADQUARTERS FOR

Miracle finish for kitchen, bathrooms, finest woodwork. Dries in 3 to 4 hours to a super-tough plastic-like finish that looks, wears and washes like baked enamel.

The oil and resin finish that actually mixes with water! One coat covers most surfaces, dries in 1 hour, leaves no painty odor. Many gorgeous colors — all washable!

Now — an outside white paint that actually washes itself ... sheds all dirt, stains and soot each time it rains ... stays crisp, white and clean for years longer!

THE SECRET IS IN "CONTROLLED CHALKING" Martin-Senour's "Controlled Chalking" permits a minute quantity of "chalk" to wash off with each rainfall, carrying all dirt and stains with it, leaving a completely fresh, bright surface. Chalking is so controlled that Martin-Senour "100% Pure" Exterior White actually outlasts ordinary paint by as much as three years!

Because there is no cracking, checking or flaking — no crevices for water to seep in — woodwork is completely protected for the full life of the paint!

FULL RANGE OF BEAUTIFUL COLORS In addition to "100% Pure" self-cleansing white, Martin-Senour offers colors to cast your home in any character ... shades to match every motif. Also a complete range of permanent contrasting trim colors.

How the Value of Legumes as Soil-Builders is Increased when Phosphorus is Applied

1. PLACE OF LEGUMES IN A SOIL-BUILDING PROGRAM

Legumes help to aerate the soil by their deep, extensive root system.

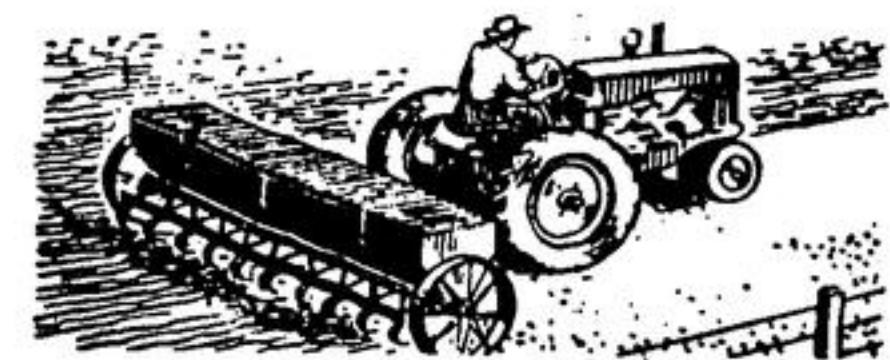

A sound soil-building program therefore demands a good crop rotation including a legume or legume-grass mixture.

2. LEGUMES ARE HEAVY USERS OF PHOSPHORUS

As legumes require plenty of phosphorus to build their root systems, it is fortunate that their requirements can be met economically with ARRO* PHOS FLORIDA NATURAL PHOSPHATE. The finely ground ARRO* PHOS, well distributed in the soil, comes in direct contact with the extensive root systems of the legumes, enabling them to secure their heavy needs of Phosphorus to build better soil.

3. DO LEGUMES MAKE PHOSPHORUS MORE EASILY AVAILABLE?

Yes, following the plough-under of legumes, the Phosphorus in the decaying plant-refus becomes readily available to the succeeding crops. The Phosphorus taken up in this way from the ARRO* PHOS is thus changed to an organic form available to grain and corn — which have less extensive root systems.

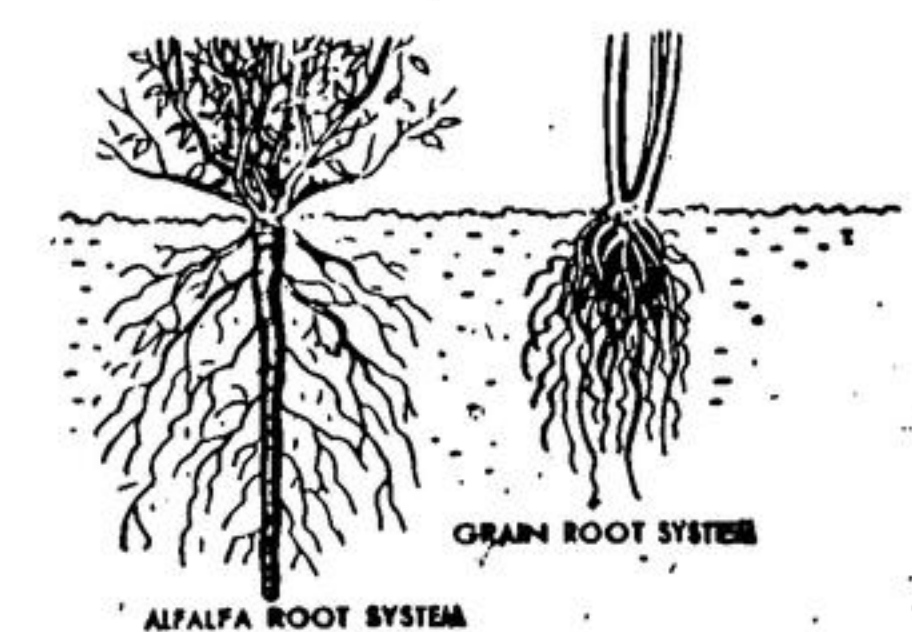

PHOSPHORUS is needed to give crops a start

4. ARRO* PHOS PROVIDES ECONOMICAL "BETTER SOILS" INSURANCE

If you are going to the trouble of preparing soil and the expense of seeding it, make sure that the application of ARRO* PHOS enters into your soil-building program, for this is an excellent and economical form of "better soils" insurance.
