Choir, Quartette Will Give St. George's Recital

The high school girls choir and Georgetown String Quartette will give the last of a series of Sunday evening recitals in St. George's Church this week. Their recital will take place in the church after shortened evensong.

Last Sunday the group were at Churchill, and previous recitals had been given at Norval, Glen Williams and in Knox Church.

SORRY

Just wasn't enough space for all the copy this week. Ashgrove, Silver-Wood, Public School and several other news items had to be held till next week.

MACKENZIE NEWS

This is the time of year when it would be handy to be three people — one to work inside — one to work outside and one to sit and watch the Spring.

For inside or outside painting an ideal primer and sealer is "Timberlox." It is good for the first coat or to mix with paint, for use on veranda floors, window boxes, lawn chairs or trellises. It penetrates and seals the wood, preventing decay and paint blistering. The cost is modest at \$1.50 per quart or \$4.50 per gallon.

See you enjoying the Spring sunshine
