**Chatting . . .** With **M.H.B.**

NO, WE DIDN'T see the Niagara peach blossoms after all. But we did see clouds of white and pink cherry and apple blossoms along the Queen Elizabeth towards Toronto, and they were simply beautiful. Gorgeous too, were the "flowering crab" trees at the clover-leaf turn. Last Saturday they were at the height of their deep pink glory. On that same drive we noted dozens of cars parked outside the Holland Nurseries, while the occupants walked around the field of tulips in bloom, feasting their eyes on the thousands of brilliantly hued flowers.

ved by Mrs. Lyon from her father in Harrogate, Yorkshire, just before they left yesterday on the first lap of their journey. Mrs. Lyon has never been back to England since coming out to Canada and needless to say is looking forward to a reunion with her father, six sisters and two brothers. She and June will sail from Montreal on the "Ascania" returning home on the 9th of August.

THIS IS A lovely time of year to go driving anywhere, as a matter of fact . . . or walking. In town, the grounds about the homes are at their best. A drive through the township of Nassagaweya on Sunday, to see the beaver dam, reminded us of the northern Muskoka country, with its picturesque rocks, pine trees and silver birch. Which does remind us that several people from town who have cottages in the beautifully wooded Muskoka vacationland, report that the tent-caterpillars or army worms (whichever breed they may be) are once again are threatening to ruin the trees in that area. We say threaten, because this year the Dept. of Lands and Forests is waging war on the pests from the air, and it is to be hoped that the chemicals sprayed on the "tents" from planes will successfully exterminate them.

QUITE A NICE coincidence is to be found in the fact that Mrs. Lyon will not be at all lonesome on her sea-voyage for four other people from this vicinity — Mrs. Wilson Heaton and Mr. and Mrs. William Lorrman of Glen Williams are also sailing on the "Ascania" to visit relatives in England. Mrs. Heaton will be visiting her sisters, Mrs. May Spencer and Mrs. Martha Nettleton, who live in Southwram, Yorkshire, not far from Mrs. Lyon's home Mrs. Heaton has lived in Glen Williams since coming over in 1923.

And Mr. and Mrs. William Lorrman, making their third visit back to England in the thirty-five years they have been out here, will also visit in Yorkshire with Mr. Lorrman's sister and three brothers. Mr. and Mrs. Lorrman will be away six weeks, and during their vacation, plan to attend the famous Festival of Britain, to be held in London. We already told you last week of Mrs. Bert Hill who is bound for Scotland.

SPRING WAS LATE in England this year, so that the countryside will look its most beautiful by the time Mrs. Stan Lyon and daughter June arrive there, according to a letter received.

WELL, GEORGETOWN contestants didn't do quite as well in the Tely Twin Contest as in the Star contest. No one from this vicinity came into the prize money. The only claim to near-fame we can make is that Mrs. Graham of Brampton, one of the winners, is an aunt of Mrs. Will Sord. Don't know how any of the prize-winners managed to get so many twins paired correctly. It was a hard contest, to put it mildly.

THERE ARE QUITE a number of changes of residence to report this week Mr. John R. Campbell, Edith Street, has sold his home, and applied for his visa to live in Tucson, Arizona, with his daughter, Margaret. Margaret, a graduate nurse, who attended High School here, went to live in Arizona for her health, and we are glad to say is much improved and able to practice her profession in Tucson. Mr. Campbell expects to leave for Arizona in June. The Campbell family have lived on Edith Street since moving from their farm in 1945.

Mrs. James Carson of Toronto, and formerly of Orangeville, has bought Mr. Campbell's house, and will move in on the 31st of May. Mrs. Carson's husband is in Ireland at present. They have a daughter seventeen, who will live here with her mother, and a 23-year-old son who is in the insurance business in Winnipeg.

LAST SATURDAY, Wing-Cmdr and Mrs. H. R. Footitt and family — Wendy, Susan, John and Peter, moved to Ottawa, where Wing-Cmdr Footitt has been posted to RCAF Headquarters. He has just completed a course at the RCAF staff college in Toronto. The Footitt family have been living on Ontario Street in a new stone house built by Roland Haines. Mrs. Footitt's mother, Mrs. Jean MacKenzie, who has been making her home with the family, also moved with them to Ottawa.

MR. AND MRS. E. Scott, who sold their house at the corner of Church and Market Streets here last year, and moved to Crewson's Corners, have sold their home there, and moved to Rockwood, where they are building a new home in the north end of the village.

Still on moving topics, Mr. and Mrs. Fred Spirex have bought the Frank Parmeter's house on Elgin Street, and Mr. and Mrs. Parmeter are moving to Normandy Blvd., into the house formerly occupied by Mr. and Mrs. Eric Aleotti and family. Another change on Normandy Blvd. took place last Saturday, when Mr. and Mrs. Harry Allen moved from their house there to his father's home on Mill Road. Mr. and Mrs. Walter Cook and family will be moving into the Allen's house on the Boulevard.

A NEW MEMBER of the staff of the Royal Bank, is Miss Pearl White, of Toronto. Miss White is making her home with Mrs. D. L. Herbert, Edith Street.

**LIMEHOUSE**  
 Congratulations to Anna Spitzer who won the gold medal for vocal solo for girls 12 and over in the Halton music festival finals. Mrs. A. J. Smethurst visited Mr. and Mrs. J. A. Smethurst at Lalington a week ago Sunday and attended the baptismal service in St. Matthew's Church, Eatonville, for her grand-son, John Albert Smethurst.

**CO-OP NEWS**  
 BY REQUEST OF FARMERS AND FARM FORUMS

**THE UNITED CO-OPERATIVES OF ONTARIO**  
 THROUGH ITS AFFILIATE

**The Milton District Co-operative**  
 WILL OPEN A BRANCH IN GEORGETOWN TO SERVICE THE SURROUNDING FARM AREA

This is a personal invitation to all farmers of the Georgetown district to join your local Co-operative in owning and operating your own business.

- The Branch in Georgetown will be operated in conjunction with Milton.
- Both Branches will be known as (Government ruling permitting) "Halton County Co-operative." Head Office (Milton), Branch (Georgetown).
- The New Branch will participate in the earnings of "Halton County Co-operative" equally with Milton, thus putting the Georgetown Branch in a position to declare a patronage refund to its members right from the start.
- All member loans shall bear interest at the rate of 3%, and paid annually.
- All profits shall be allocated to the members, as recommended by the board of directors; and the members may approve or alter such recommendations as they see fit.

The Georgetown Branch has the option and will locate on the property formerly known as the Georgetown Feed Mill  
 YOUR LOCAL REPRESENTATIVE WILL CALL. HERE IS YOUR CHANCE TO MAKE A PROFIT ON YOUR FARM SUPPLIES.
