**Legion Notes**

**KEEP IN MIND** the Decoration Day parade to be held a week from next Sunday in Greenwood Cemetery to honour those who made the supreme sacrifice in two wars, and those who have since passed away. This is one of the two days in the year that every veteran as well as every citizen, should turn out to pay their respects to those who have gone before us. Remember the date Sunday, June 17th, at 3:00 p.m. The parade forms at the Legion Hall, and will proceed to the Cenotaph to lay a wreath and from there to Greenwood Cemetery. All organizations are invited to attend.

**ZONE DELEGATES** Dutch McCartney and Wilf Hillis attended a zone meeting last Sunday to represent Branch 120 in arrangements being made for the annual zone church parade, to be held this year in Streetsville. Combined with this will be a picnic after the parade. It is hoped that enough Branch members will be interested in going to fill at least one bus. The Streetsville Branch is helping look after the affair, and promises to make it a bang up affair. Women and children are invited of course.

**NEXT REGULAR** meeting will be held on Thursday evening, June 21st. It is hoped that as this is usually the last meeting until September, that an extra large number will attend.

**HEARD A GOOD** one on members of the ball team recently. It seems the sweaters have arrived and one of the players enquired as to the chances of getting one. However he got the reply from Scotty that he'd give 'em out the night of the ball game. JUST to be sure everybody'd be on hand!

**THE HEARTFELT** sympathy of the entire Branch goes out to the Edmunds family in the loss of their son, who was killed in action in Korea. This is the first fatality from Georgetown, and has forcibly brought the unpleasant fact to our community that whatever the Korean war is called by, it is a full-scale war, in which Canadian boys are once again offering up their lives.

**CIGARETTES HAVE**, we believe, now been sent to all the local boys in Korea. In the near future a list of names will be published of those receiving them, so that if anyone has been overlooked, that it can be rectified. In this connection, the editor of the Herald has been sending a copy of the Herald to each of the boys out there.

**CHARLIE DAY** let us have a look at an old Herald Legion column written early in 1945. This was written just before most of the boys arrived home, by the Legion writer of that time, Joe Boley. There were quite a few interesting items in it, including one about pulling a tooth. Afraid we would have to have seen those two "dentists" at work. The victim just ask any of the old timers.

**SCOTTY AND HIS** ball team got off to a great start last night, taking S&S, 18-5.

**MAKE PRESENTATION TO THE W. O. BROWNRIDGES**

On Friday evening, June 1st seven friends and neighbours gathered at the home of Mr. and Mrs. Charles Austin to honour Mr. and Mrs. W. O. Brownridge who have sold their farm and moved to Georgetown. Progressive euchre was played, the winners being Wm. Anderson and Mrs. Nugent and then the presentation of an electric radio, reading lamp and iron was made to the Brownridges. Lunch brought the evening to a close. The Young People held a social at the home of Mr. and Mrs. Cecil Wilson, Herb and Bill last Thursday. Bernice Wilson and Gordon Wingfield had charge of a short worship service; then on behalf of the young people, Frankie Wilson presented Mr. and Mrs. John Bird (Ismye Kean) with an electric clock. Pie and ice cream were served. Congratulations are due all our Young People who did so well at Achievement Day in Milton on Saturday. Ward Brownridge was champion judge, Eleanor Stark, Jessie and Mae Wingfield received the trophy for three high girls. All the Ashgrove girls and boys did extra well.

Deepest sympathy goes to Mrs. Murray Bridgen and family in the death of her mother, Mrs. Robert Preece at Bond Head last Monday.

Mrs. Ben Howden of Guelph is visiting for a few days with Mr. and Mrs. Arthur Ruddell and Howson.

The Bright Star Mission Band met on Sunday afternoon at the home of Valerie Nurse.

Mr. and Mrs. McNabb and Fraser entertained over the week-end two Scottish lads who are touring Ontario for three months. They took part in the judging competition on Saturday Achievement Day in Milton. One laddie wore his kilts and looked real nice. Angus McNabb was home from Ottawa for a week's holidays with his parents.

Miss Marjorie Ruddell of Toronto spent the week-end with Mr. and Mrs. Ward Brownridge and Margaret.
