pool. The white-hulled luxury liner made the first of 10 calls at Quebec this season on May 22 and sailed from there three days later. With the 20,000-ton sister-ships the Empress of Canada and Empress of France which dock at Montreal, she

will provide a weekly service from St. Lawrence River ports to the U.K. The "Scotland" has just returned from a successful cruise season during which she sailed from New York to Caribbean ports.

(last, week) On Thursday afternoon, Mrs. Harry Marchington entertained fellowmembers of the Silver-Wood Institute at her home on the tenth line of Esquesing Three new members enrolled: Mrs. McClure. Mrs D. Williamson, and Mrs. Robert Hoare. bringing the membership to twenty-tive. Mrs E L. Miller presided for one of the most interesting meetings held to date. Each member answered the roll by telling the history of her home and property This revealed that many of the houses were built from stones picked off the land or from oricks made from the red clay on the property One of the early stone masons o: the district was Mr. John Reddy. the tather of one of the members present, Mrs. Gilbert Sinclair Mrs. K C: Lindsay reported timbers in her home which were 4"x12". Mrs. Annie Stull told the history of the early railroad which passed through this district Miss Isobel Moore recalled the junction and the old railway station. It was not discovered when the railroad bridge spanning the Wildwood ravine was removed. If anyone has this information it would be greatly appreciated An invitation to attend the July meethave a booth at the Orangemen's Celebration on July 12th. The reg-

Mr. and Mrs. Earl Trow visited last week in Utica, New York. Visitors at Brampton West W.I. on Tuesday of last week were Mrs. R. R. Corbett, Mrs. E. L. Miller and

ular July meeting will be held in

the form of a picnic on the nine-

teenth at the home of Mrs R. R.
