AREN'T THE strawberries wonderful this year? Strawberry shortcake, fresh strawberry pie, strawberries and cream, or just plain strawberries with sugar (or without) are this season's treat, and as a pleasant contrast to last year's sparse crop, they are both plentiful and fairly reasonable in price.

THE SPRING perennials are beginning to fade from the flower gardens now, but many gardens about town still present a vivid array of colour. One we particularly noticed was Mrs. Maude Webster's, on Guelph Street, just below the High School. It was a treat to see.

THIS IS THE start of vacation time, and many families have already made their holiday plans. Mrs. Wilfrid (Pete) Hunter, Queen Street, left for Huntsville last week-end to open Valleyview Cabins for the summer tourist trade. Mr. Hunter who is working at the A. V. Roe plant, will join her there in August. Mr. and Mrs. John Lee (the former Edith Looe of Norval) and family will visit with Mrs. Hunter for a month. Mr. Lee is from London, Ontario, and graduated from the University of Toronto this year. They are en route to Regina, Sask., where he has a position as a hospital administrator.

ON JUNE 28th, Mr. and Mrs. Jim Ruddle will leave for home, after a month's visit in England with her parents, Mr. and Mrs. Berly, at Shepherd's Bush, in London. Jim does a great deal of travelling in his position with the Research Defence Group. He makes his headquarters at Greenwood Airfield, N.S. An Engineering graduate of Queen's University, Jim met his wife while serving with the RCAF in England. The Ruddle's travelled by plane to England, and will return to Canada the same way. It was sad news for Jim, who had been intending to have a reunion with a relative, Flt.-Lieut. Gordon McDonald, to learn of his death in a plane crash last week.

A NARROW ESCAPE which Mr. and Mrs. Auburn Wright and their two daughters will not easily forget, occurred a week ago Thursday morning at the CNR level crossing on No. 7 Highway, east of Norval. Mr. Wright was driving his truck loaded with four tons of butter, when a car in front of him stopped suddenly when the wig-wag started warning of the approach of a train. Mr. Wright applied the brakes, but the heavy load carried the truck forward, striking the back of the car, sending it clear across the track, and stopping the truck right on the railway track. Mr. Wright managed to shift the gears and move the truck just as the train thundered past. In the meantime, Mrs. Wright and their two daughters climbed out of the truck and were terror-stricken lest the train should ram the truck. The grim reaper was cheated by an uncomfortably narrow margin.

LADY LUCK WILL be smiling on someone in September, when Georgetown Girls Pipe Band hold their lucky draw for a luxury cruise to Bermuda and Nassau, including a stop-over in New York City. The cruise will be for two people and is scheduled for sometime during the last two weeks in October and the first two in November. The winner will of course have the choice. It's exciting just to talk about it, so let's get that much of a thrill out of it anyway, before we know definitely we're out of the running.

On a Friday evening the winners leave by TCA from Malton and arriving in New York City around 10 p.m., will stay over in the Hotel Taft, where room and meals will be provided until the "Queen of Bermuda" sails around three in the afternoon of the next day. Monday.

The luxury liner will dock in Hamilton, Bermuda, where there is a stop-over for the day, with hotel room and meals provided. Monday night the boat leaves for the cruise to Nassau, where you dock Wednesday morning. The lucky ones will be able to stay all day in Nassau until evening, when they again board ship to spend Thursday and Friday at sea before arriving back in New York City. Again they will have reservations at the Hotel Taft, an extra day is allowed in the big metropolis for sight-seeing, shopping, or whatever you wish. On Sunday you may leave for home on any flight you prefer, after being away on a pleasure-packed 10-day holiday. The trip includes all expenses, including taxi fares to the plane and even provides for tips on the boat.

All the girls of the Pipe Band are selling tickets now, for \$1.00. And if, perchance, the winner does not wish to take the trip, the lucky draw prize will be \$400 cash. Sounds pretty alluring, doesn't it?

A NEW FAMILY in town, Mr. and Mrs. Harold Campbell and their one and a half year old son John, are living in the house formerly owned by Mr. Max Hauptmann, on Ewing Street. They moved here from Toronto on the 24th of May, and Mr. Campbell is still employed in the city until he can obtain employment in town. Mr. and Mrs. Campbell are members of the Salvation Army.

MR. JAMES LINTON, Albert Street, left last week for a holiday abroad, when he will join his wife and small daughter Frances, who are visiting his parents, in Selkirk, Scotland.

Also planning a holiday overseas, are Mr and Mrs. Charles Parton, who leave August 15th aboard the S.S. Ascania, for 2 months in Stoke-On-Trent, England. They will visit with sisters and brothers there. It is twenty-two years since Mr. and Mrs. Parton have been "home."

MOVING TO England permanently are Mr. and Mrs. Ray Harlow, with daughter Brenda, four years and their year and a half son. The Harlow family will be sailing from Quebec City August 8th. Ray's parents, Mr. and Mrs. Herb Harlow will accompany them to Quebec to see them off. The Ray Harlow's have been living in their home on the 9th Line, just above Glen Williams, for the past five years. They were married in England while Ray was serving as cook in the Lorne Scots Regiment, and lived there a year before coming to Canada. His wife was the former Jean Granshaw. Since coming back to town Ray has been employed in the storeroom of Smith and Stone Ltd. He is a member of Branch 120, Canadian Legion. Their house has been purchased by Mr. Charlie Harris of Milton, the new owner of the Georgetown Feed Mill, who plans to live there.

ON MONDAY, Sqdn. Ldr. and Mrs. John Duncan and two young sons moved from their apartment in what was formerly the Watson home on Queen Street. They will be holidaying at their cottage at Saul's Ste. Marie for the month of July after which Sqdn. Ldr. Duncan will take a refresher course at Trenton, and then be posted. Their apartment will be rented by Mr. and Mrs. Desmond Earl who have just recently come to Canada from England. Mr. Earl is with the A. V. Roe Co. at Malton. The Earls have a family of two — a little girl three years, and a new baby daughter.

WE WOULD SAY that Mrs. Lorne Peters has been making a silver lining for what might be called a cloud, metaphorically speaking — during these tedious weeks she has had to wear a cast on her leg, as a result of a car accident. Mrs. Peters is having the cast removed this week, and with its removal will go a very original source of revenue for the new pipe organ just installed in Knox Presbyterian Church. The cast is covered with autographs of friends, and each one has paid for the privilege of having their name thereon. The money so donated, Mrs. Peters turned into a little fund for the new church organ. Nice idea, wasn't it?

THE RESIDENTS of Main Street North enjoyed a special band concert all of their own on Thursday evening, when the popular Brampton clown band serenaded Mrs. E. Loud and Mrs. Dorothy Swan at their store over the White Bridge. The bandmen made a special roundabout trip en route to fill an engagement at the firemen's jamboree at Orangeville. Children as well as adults were thrilled and amused at the comic costumes in which the complete brass band was outfitted. The band conductor, masquerading as Charlie Chaplin, was especially good in every detail. A good many Georgetown people enjoyed the playing and antics of part of this band at the Lions Christmas tree. The re-

son for the special serenade lies in the fact that Mrs Swan's brother-in-law is one of the band members.

FARM NEWS

HOG PRICES HIT ALL-TIME HIGH

Hog marketings in Ontario are still about 57,000 below the 1950 figure with a total of 906,000 for 1951 to June 28th. Quebec and Alberta are running practically neck and neck, in hog production this year. Quebec has marketed 443,000 hogs, and Alberta 442,000. Saskatchewan is next with 129,000, and Manitoba follows with 121,000. The Maritimes have 90,000, and British Columbia 17,000. The total marketings of Canada up to the week end of June 18th were 2,233,000, which is about 140,000 below last year's figure for this date. As we write, Grade A hogs on the Toronto stockyards are quoted at 39c which is the highest price hogs have ever been on the Toronto stockyards. The fourth quarter of this year is expected to reveal some substantial increase in production with numbers and percentages very much more forward in the West than in the East. The estimated figures for the twelve months ending December 31st next do not indicate much change from the actual marketings in 1950. Halton County marketed 5,330 hogs in October, November and December of 1950, and the estimate for the same period in 1951 is only about 3 percent higher. The Ontario estimate for the last three months of the year indicate a 5 percent increase in marketings over the same period in 1950.

NOTICE TO CREDITORS

IN THE ESTATE of Fred Cyrus Thompson, Esquire, deceased.
 All persons having claims against the estate of Fred Cyrus Thompson, Esquire, late of the Town of Georgetown, who died on or about the 19th day of May, A.D., 1951, are hereby notified to send particulars of same to the undersigned on or before the 14th day of July, A.D., 1951, after which date the estate will be distributed with regard only to the claims of which the undersigned shall then have notice, and the undersigned will not be liable to any person of whose claim he shall not then have notice.

DATED at Georgetown, this 12th day of June, A.D., 1951.
 Franklin LaVerne Thompson, Executor of the estate of Fred Cyrus Thompson, by his Solicitors, Dale & Bennett, Georgetown, Ont.
