A pleasant afternoon was enjoyed on Thursday when Blue Mountain School held their annual picnic. Ball games and races were enjoyed by young and old. We wish to congratulate the Grade 8 pupils who were successful in passing their entrance, namely: Yvonne Plouffe, George Gibson and Clarence Allan.

The WMS met for their June meeting at the home of Mrs. F. Smith. The worship service was led by Mrs. F. W. Shortill. Plans were made to hold an afternoon tea early in July. The WMS Sunday Service will be held the last Sunday of July with Rev. A. O. W. Foreman in charge. The topic "Work Camps in Europe" was given by Mrs. R. McEnery assisted by other members. It told the story of young people from different countries meeting together in worship and service, thus gaining a greater insight into each other's problems. REBEKAH POT-LUCK SUPPER
Tuesday evening, June 26th, marked the closing of Verdun Rebekah Lodge for the summer months. Seventy-five members gathered in the Oddfellows Hall for a pot luck supper convened by Sisters Edna Spence and Ann Collins. After the regular lodge meeting an hour of entertainment was enjoyed to the full. This was under the direction of Sisters Edith Kentner and Dorothy Shields. Two skits "The Thing and 'Boxing'" brought roars of laughter. A fashion parade of old time costumes and accompanying music with Sister Martha Addy, soloist, and Sister Pearl Lillico at the piano, was much enjoyed.

COOLING OFF!

It takes a lot of cooling to keep a Polar Bear happy. This largest member of the bear family is smaller than a porcupine at birth, but often weighs more than three-quarters of a ton when full grown. To this tremendous bulk, add the fact that the bear is covered with a thick, water-proof coat, which is designed to protect him in the Arctic... it's a big job keeping him cool in our zoos. Learn about nature's creatures. Visit the nearest zoo and see them. A whole new world of interest will be opened to you when you understand nature.
