LIMEHOUSE

Club Girls Entertain Two District Institutes

A very pleasant afternoon was spent in Memorial Hall Limehouse, July 5th, when more than fifty ladies of Limehouse and Silver-Wood were entertained by the Busy Fingers Club Girls.

At a brief business meeting of the Limehouse W.I. conducted by the president, Mrs. E. Sanford and secretary, Mrs. J. Ellerby, \$10 was voted to Esqueing Agricultural Society and \$10 to the Scott Mission, Toronto.

The programme was in charge of club leaders, Mrs. Frank Brown and Mrs. Sydney Kirkpatrick. Current events were given by Muriel Burt and were followed by two pleasing solos "Bless This House" and "My Hero" by Anna Spitzer, who was accompanied by Mrs. J. Roughley. The motto, "More than we know we are judged by our manners, and strangers are never lenient" was an excellent paper given by Ruth Brown. A piano solo followed by Barbara Lindsay, and a commentary on the display "A Woollen Skirt and Its Companions" was given by Ruth Brown. A fashion parade followed when each club girl modelled her own woollen skirt, made during her course.

The skit "Packing a Week-end Bag" was presented by the club members, after which, Kathleen Kirkpatrick read "Our Club Story" from her files of the year's work. The hall was beautifully decorated with flowers for the occasion, and all notebooks and club projects were on display.

Salad forks were presented by Limehouse W.I. to each of the girls successfully completing her unit of study. Five o'clock teaspoons were presented to the girls by their leader, Mrs. Brown, in recognition of their faithfulness to their duties throughout the entire course. Those receiving silver forks and spoons were: Misses Ruth Brown, Barbara Lindsay, Muriel Burt, Kathleen Kirkpatrick, Anna Spitzer, Audrey Currie, Anna Marie Spitzer, Dorothy McDonald and Mrs. Ralph Turner.

Miss Ruth Hunt, home economist for Halton, Peel, and York counties was present. She congratulated Ruth Brown on winning the all-expense trip for being highest scoring club girl in Halton, and assured the ladies she was very worthy of the honour. She commended the leaders who gave so unsparingly of their time, thought and energy for the promotion of club work. Mrs. J. Roughley, on behalf of the Institute, told the girls of the pride felt by the senior ladies in their achievements and wished them continued success in their club work.

A formal afternoon tea was served by the girls in the group, assisted by Miss Thelma Brown, Mrs. H. E. Bakin and Miss Ruth Hunt assisted by pouring tea. Much credit is due the girls and their leaders for a very pleasant afternoon.

MIDGET CAR RACING AT BRAMPTON ARENA

On Wednesday, July 25th, the Brampton Memorial Arena is featuring Midget Car Racing indoors at the Arena at 8.30 p.m.

This sport has proved quite popular in the States and is the first time in Canada that an under-cover amusement of this kind has been held. There will be sprints, match racing, team and pursuit races as well as time trials. Five cars will be in action at one time.

This is an all Canadian club of motor minded individuals who promise some new and exciting entertainment. Their cars are the world's smallest racers, weighing about 300 lbs. with a 40 inch tread and a 67 inch wheelbase. They are operated on a 6 horsepower air cooled motor with a rear drive and an automatic clutch.
