DONKEY BASEBALL NEXT MONDAY

"Donkey Ball," a hilarious, burlesque of baseball, will be introduced to Georgetown under the sponsorship of Georgetown Lions Club, and Glen Williams ball club will be the opposition.

The game in the last few years has taken its place as one of the great laugh sensations of all time. It is played in the same manner as baseball but the players are mounted on real live donkeys during the game. For instance a batter after hitting the ball mounts the donkey and rides to first base.

If he is successful in reaching the initial plate, he must continue on his way to the other bases in the same manner. The team in the field is likewise mounted on burros. The game is a hilarious affair with the trained animals causing base runners plenty of trouble with their balking tactics.

Teams will be made up entirely of Lions and Glen ball players, whose names are listed in a display advertisement.

Don't fail to see the hilarious parade on Main Street to the park prior to the game.

Proceeds of the night's entertainment go toward the Lions Club welfare work.

Mr. Donald Milton was his brother's groomsmen and the ushers were the bride's brother, Mr. Gordon Wingfield and the groom's brother, Mr. Joe Milton.

Following the ceremony a reception was held in Esqueusing community hall for eighty guests. The bride's mother received wearing powder blue crepe with white accessories and corsage of pink roses, assisted by the groom's mother wearing floral crepe with white accessories and corsage of sweet peas.

ESQUESING ASKS SCHOOL BOARD DEFER ACTION ON BUILDING

Esqueusing council has asked North Halton High School District Board to defer any action on building new schools until the new county assessment system is stabilized. A letter from the council was received at last week's board meeting in Stewarville, enclosing a copy of a council resolution embodying this. While all the five councils in the district are to be approached for an opinion concerning the building of new schools at Georgetown and Acton, Esqueusing has been the only council interviewed to date.

Last Friday a delegation of board members looked over the new idea of building costs. It is believed that new schools can be built at a cost which will be equal or less to the present debenture costs of the district which expire in two years.

An account for an Esqueusing pupil attending Brampton High School was questioned by the board. The pupil had started at Brampton in 1949 when Georgetown was not a member of the district and transportation was being provided by Brampton. The next year North Halton also provided transportation and the board felt that he should have attended Georgetown school. The board will pay fees until June, 1950 but denies responsibility for fees after this date.

In response to a letter from Georgetown Public School Board asking if space might be available in the high school until the new public school is built, the board regretted that all high school classrooms are needed.

No action was taken on the request of the Milton attendance officer for an adjustment in salary from \$50 and mileage to a straight \$100 a year.

Struck by lightning during a heavy electrical storm early last Thursday morning, the barn, shed and silo on the farm of George Jennings, between Stewarttown and Speyside were completely destroyed by fire. Also lost in the fire were the hay crop, 500 hens, a bull, some pigs and the farm dog. The farm implements, which were in the barn were also lost.

Mr. Jennings has resided on the farm over twenty years. The bolt of lightning which brought the damage appeared to strike right in the building and immediately it was a mass of flames. The building carried lightning rods and these were apparently in good condition before the fire. The Milton fire brigade responded to the fire call at two a.m. but the fire had made too much headway for the brigade to be of any assistance.

Walker Cleave Buys Bradley Bros. Store

Change of ownership of a local business was announced last week with the sale of Bradley Brothers, meats and groceries, to Walker Cleave. Mr. Cleave took over operation of the business on Monday, July 16th.

Mr. Bradley is a veteran Main St. businessman. After leaving school he worked for a few years at Provincial Paper, Ltd., then worked in his present store for eight years when it was under the proprietorship of William King. In June, 1940, with his brother Clayton, he took over ownership of the business. During Clayton's service with the army overseas, another brother Clifford worked in the store. Clifford later purchased his own business in Erin, and is now operating a similar store in Acton.

Since Clayton's death in September, 1947, Mr. Bradley has run the business alone, and for the past four years Mr. Cleave has worked with him.

The new owner, a veteran of service with the army overseas, is the son of Mrs. Isobel Cleave, McNab Street. With his wife, Marnie Curtis, and their two small daughters, Jane and Barbara he lives on Normandy Boulevard. Mr. and Mrs. Bradley and their family make their home on Durham Street.
