## DR. ZOMB HERE NEXT WEDNESDAY

The now internationally famous Dr. Zomb will be visiting Georgetown next Wednesday at the Roxy theatre with his stage show "The Science of Wonders." The famous Dr. Zomb will bring to the eyes of the audience, living-dead revelations — esoteric rights and secrets, wonders of the naked mind, voodoo trance practices, and humans turned into Zombies. After chatting with the manager of the local film emporium we are convinced by his enthusiasm that we are in for a special treat next Wednesday night when Dr. Zomb takes over the stage of the theatre.

## Agricultural Society News

At a recent meeting of the Esqueving Agricultural Society, Miss Charlotte McCullough was presented with a "Certificate of Merit" in recognition of her efforts in connection with Georgetown Fair and Agricultural activities in general in the district. The presentation was made by a past president of the organization Craig Reid. This certificate is awarded by the Ontario Department of Agriculture for meritorious service in agriculture in the community. Miss McCullough was president of the ladies' section of the fair board for a number of years and previous to that had been a great help to her uncle, W. A. Wilson, who was secretary of the society for a good many years. At the present time she is secretary of District No. 5 Ontario Fairs' Association.

One of the dates to remember for this fall is September 14-16, when Georgetown's annual fall fair will be held.

The society is certainly catering to the ladies section of the prize list this year, and some outstanding special prizes are being offered. In Domestic Science there is the Society Special for chocolate cake, prizes being \$5.00, \$3.00, \$2.00; in addition Canada Packers are offering specials for pies and cakes baked with Domestic Shortening. A chocolate cake special carries prizes of Neilson's Ltd., and a lemon pie contest, cartons of corn syrup by the St. Lawrence Starch Co. There are also prizes for baking with Blue Ribbon and Magic Baking powders. The big McClure Home Furnishing special for collection of baking is again being offered.

This is all in addition to the regular prize set-up and will not only give the ladies a chance to try their culinary art, but the prizes will help out the family budget.

Then, of course, there is the big specials for the most number of points gained by exhibiting in the hall — a silver-plated serving tray with glass relish liner valued at \$25.00 by the T. Eaton Co. Ltd. and a silver-plated cream and sugar set valued at \$12.95 by the Robert Simpson Co. for the largest number of points in the Ladies Work section.

McGowan's Specialty Shop is again offering specials in the Boys and Girls Pet and Novelty contest. This contest proved a feature attraction last year and should see more boys and girls out this year. Cash prizes are offered for best dressed dog, best dress doll, best trained driving dog hitched to wagon; best decorated bicycle, tricycle, doll carriage or express wagon, most comic exhibit. Entry blanks will be available soon at the McGowans or at the Herald Office.

The Robinson Baby Show will be the attraction for the younger set, and the Guthrie prizes will also be offered. Every baby in the show will be entitled to a free photo in addition to the prizes.

Watch for further features at this year's fall fair, and plan to help this organization by exhibiting whatever you have — flowers, vegetables, baking, ladies work, etc., etc.
