90 COLBORNE STREET WEST

Hello Homemakers! Entries are now being prepared from the Women's Prize List of the Canadian National Exhibition. The completed forms should be addressed:

Director of Women's Activities, Women's Building, Exhibition Park, Toronto 2B.

To obtain a copy of the CNE booklet write to the above address.

Plans should be definite and entitled mailed before August 12 for each special competition. Remember an entry form is required by each exhibitor.

The special competitions are a lot of fun and the prize money is worthwhile. A delightful activity will take place every morning, afternoon and evening on the second floor, West Annex of the Coliseum — thus it is important to note the hour of the competitions you decide to enjoy — and win, if possible.

You can try practically anything from trimming your old hat for fifty dollars as first prize, to making a decorative Christmas cake which, if it wins the prize, nets you one hundred dollars in cash. In most competitions there are four prizes and all who send in their entry form receive an admission ticket to the grounds.

By the way, in the following sections you simply go forward empty handed, but alert! Dagwood Sandwich, Personality Pie, Hat Trimming, Dorothy Dix, and Traffic Safety. You are judged on accuracy, cleverness and speed — or shall we say, according to the emphasized rule in the prize list.

You may be most interested in the Christmas Cakes. It's a wonderful idea.

TAKE A TIP

1. Cake mix is made from dry recipe — better cake than cake of store cake.
2. Batter just as thick as two french fries.
3. The cake must be filled, frosted and decorated to celebrate a Christmas.
4. The exhibits must be sent in on heavy cardboard (no plates).
5. Cakes must be delivered to the Big Tent at the south door of the Women's Building before 11 a.m. Wednesday September 6th.
6. The winner receives the big award and nine others a consolation prize, on the completion of the judging, then all but the ten best entries have to be picked up that day. The prize cakes will be presented to parents of young children at a special evening ceremony.

Feather Cake

- 3 egg whites, beaten — (no shortening)
 - 1 cup granulated sugar
 - 2 cups sifted cake flour
 - 2 tsp baking powder
 - 1 tsp salt
 - 1 tsp almond extract
 - 1 cup milk
- Beat egg whites until stiff enough to hold their shape. Cream shortening, add sugar gradually and cream thoroughly. Stir dry ingredients together. Add almond flavouring to milk, then add the dry ingredients alternately with the milk to the butter mixture. Fold in the stiffly beaten egg whites. Pour into oiled pans and bake in preheated electric oven at 375 degrees for 35 to 40 minutes.

Raspberry Filling

- 1 cup sugar
 - 5 tsp. flour
 - 1 egg, beaten
 - 1-3rd cup lemon juice
 - 2 tsp. butter
 - 2-3rds cup water
 - 1 tsp. raspberry flavouring
 - 1 cup whipped cream
- Combine sugar and flour in top of double boiler. Mix beaten egg, lemon juice, water and butter and add to dry ingredients. Place over hot water, cook, stirring constantly for 10 minutes. Chill. Fold in flavouring and whipped cream.

Creamy Frosting

- 1 cup sugar
 - 1 tsp. corn syrup
 - 2-3rds cup boiling water
 - 2 egg whites
 - 1 tsp. almond extract
- Combine granulated sugar, light corn syrup and water, bring quickly to a boil, stirring only until sugar is dissolved. Boil rapidly, until a small amount of syrup forms a soft ball in cold water (236 degrees). Pour in fine stream over the beaten egg whites, beating constantly. Add flavouring and continue beating until frosting is cool.

THE QUESTION BOX

Mrs. M. H. asks: What are the precautions in icing a layer cake?
Answer: To frost a cake:
1. A broad flexible knife or spatula makes it easy to frost a cake. Be sure the cake and frosting are cool.
2. Keep a saucepan of hot water at side of the bowl of frosting, and dip in the spatula, then dry off lightly to help in frosting.

Legion Notes

WE'RE GLAD TO see that Com. Tom Allan, who has undergone an operation in Guelph is progressing nicely. Also that another member, Walter Biehn is home after an operation.

TED ROGERS tells us that he has heard from Ed Beerman that their two sons in the Special Force met recently in Japan. Both lads have been convalescing in a British Hospital there, Pte. Beerman from a shrapnel wound and Pte. Rogers from a back injury. Ted tells us that Earl's father received a letter recently telling of their meeting. We are also happy to see that Pte. Allan Edmunds is home.

RECENTLY, A LETTER was received from Pte. Jim Brandon by Branch 120, thanking them for the cigarettes and enclosing quite an assortment of North and South Korea and Japanese money. South Korean currency is reminiscent of the the invasion money that most of the members knew in Europe in World War II. In fact they were even the same color combination as the North African notes. He also sent along a copy of one of the propaganda sheets issued by the North Korean Comms asking the U.N. troops to lay down their arms and surrender. The sheet is printed on both sides and signed by the Chinese People's Volunteer Forces. It reads — Safe Conduct Pass: We guarantee: If you put down your weapon and say "Tow Shong" (surrender) you will be escorted to the rear, to safety. You will get medical treatment if you need it. You will not be abused, and in the end you will get home.

The other side goes on to say "Thousands have done it, why not you? We do not harm or humiliate prisoners. We do not take their personal belongings. We give medical treatment to all who need it. We shall help them return home when it is possible. Come over, and join your buddies in the safety of the rear. Don't leave it until too late." Jim sent this piece of enemy propaganda along with a few very appropriate remarks of what he thought of the Chinese People's Volunteer Forces.

He also writes that Canadian cigarettes are very scarce and that all the boys in his platoon shared his, as it is the unwritten rule that the platoon divide all their Canadian smokes with the rest of the platoon. Jim says that Korea is one of the dirtiest places you could find and that the Koreans just don't seem to care what happens, or if the war ever ends. He sends his regards to all his friends in town.

THE IMPERIALS of Branch 120 were represented at a meeting and picnic in Guelph two weeks by a number of Comrades from here, including Jim Murphy, Bill Brown, and Mrs. Grievie. They were also accompanied by Charlie Day and Alva and Mary Grievie. An excellent time was had and quite a lot of business taken care of.

The Provincial president of the Imperial Division, Len Owen, writes that possibly a large number of Imperials are not aware of the benefits that are now open, due to concession made to Imperial veterans. He stated that they are now striving to secure entitlement to veterans' benefits for Imperials after a year's residence when applying for Civil Service jobs, and also asking for a more elastic interpretation of the Act applicable to Imperial war widows.

WE HAVE VERY little news this week or next, due we suppose to the holiday season. However if you have any news, let's have it, please.

FARM NEWS

Halton Try Winners Enjoy U.S. Tour

Two of Halton's prominent Junior Farmers accompanied the Lincoln County bus tour which left St. Catharines early Wednesday morning of last week. The fortunate young men were Mac Sprowl, of Acton, vice president of Halton Juniors, who was awarded the Hamilton Spectator championship trip in connection with the Halton Juniors Judging Competitions held earlier this year, and John C. Willmott of Milton, runner up, who won the second championship trip, which was donated by Halton Juniors. The party is made up of prominent Juniors from a number of central and western Ontario counties. During the week which they are away they will visit various points of interest in the states of Pennsylvania, West Virginia and New York. The young people return on August 1st.

YOU GET MORE FOR YOUR TELEPHONE DOLLAR

ABBREVIATING certain words in our telephone directories can often reduce a listing from two lines to one. This not only makes the directory thinner and easier to read, but also less costly to produce.

In one of our bigger directories, for instance, taking out just one line saves enough paper to print 1,310 pages or 1 1/2 directories!

This careful attention to little things is typical of how all departments work to keep costs down. It's one of the reasons why your telephone is one of today's best buys.

DOLLAR SAVERS

A new steel wire, so strong that only half as many poles are needed to support it, extends spacing between poles to 400 feet or more. This saving is important as construction costs continue to go up.

Long Distance operators now dial many out-of-town calls just as easily as people dial local numbers. This not only means faster, more convenient service for you, but means our operating dollars go farther.

Voice frequency amplifiers have been developed in use until today amplifiers that would have filled a whole building now get by put in a single room. Results: important savings in building costs.
