**HESSION FLY AUTHORITY TO ADDRESS HALTON CROP MEETING**

The farm of Robt. A. Hurren, on the Guelph Line, one mile south of Campbellville, is to be the scene of an evening crop meeting on Friday, August 3rd. The meeting will centre around replicated oat and barley variety test, which constitute another project sponsored by the Halton Crop Improvement Association this season. Eight varieties of oats and a similar number of varieties of Barley each replicated four times are included in the test. A representative of the Department of Field Husbandry at the OAC will lead the discussion on the various varieties. The programme will also include an address by Prof. H. W. Goble, provincial entomologist. His subject "Control of the Hessian Fly" is a most timely one and in view of the serious damage to Halton's wheat crop, should be of value to all growers of this cash crop. Threshing of the 1951 crop got under way last week and yields as low as 10 bushels to the acre have been reported. True, a small percentage of Halton's fields will likely exceed 40 bus. to the acre, but our guess is that the average yield for the county will not be very much over the 20 bus mark. With wheat being quoted at around the \$1.60 mark one does not have to be a mathematician to realize that a 20 bushel crop is no profit maker under present day costs.

**FARM NEWS**  
**Gordon Bennett New Associate Agricultural Extension Director**

An announcement recently made by Col. the Hon. Thos. L. Kennedy, Ontario Minister of Agriculture will be one of the associate directors of extension for the Ontario Department of Agriculture, with headquarters in Toronto. For some years Mr. Bennett has served as Agricultural Representative in Huron county and prior to that served in the same capacity in the county of Glengarry. Mr. Bennett is a brother of the versatile and popular Jack Bennett of Campbellville R. R. No. 3, who operates the Bennett homestead and in between times helps out in various capacities at community programmes. In his new position Mr. Bennett will give special attention to Boys' and Girls Clubs in Ontario. His many friends throughout the county will wish him well in his new field.

**STEWARTTOWN**  
St. John's Guild meeting was held last week at Mrs. J. C. Murray's home. Next meeting to be at Mrs. D. Barclay's home Tuesday evening August 7th.
