Acton, Oakville Have More Polio Cases

Two further cases of poliomyelitis were reported to Halton Health Unit in the week ending August 19. This makes a total of five cases, one of whom was a Toronto resident, all reported since the first of the month.

The latest cases were reported from Acton and Oakville. Nine-year-old Bill Churchill, Acton, was taken to Sick Children's Hospital, Toronto, where diagnosis showed some bulbar involvement. An Oakville girl, age 14, is reported to have some paralysis.

The age of the five cases reported is good evidence of how misleading the term "infantile" paralysis is, says the Health Unit. The youngest patient is 9, and the cases range upward to 33 years.

Oddfellows, Rebekahs Present Good Show

A garden party jointly sponsored by the Oddfellows and Rebekahs on Friday in the park was very successful. A crowd estimated at over one thousand enjoyed the show and were loud in their praise of the quality of performance.

It was a full evening, starting with model airplane demonstrations by Bill MacCormack and John Bell. Vince Mountbatten brought his two young sons to the show, and the crowd was very large.

James Crabtree Dies During England Visit

Shocking news came to Mr. Ivan Crabtree here last Wednesday when he received a cable telling of the death of Mr. James Crabtree in London, England. He had received a cable on Monday from his sister, Mrs. Ivy Scott, whom he had been visiting, saying that his father was ill in hospital. He is anxiously awaiting further word.

Mr. Crabtree left town three and a half months ago for a visit with his two daughters overseas. He had just recently arrived in London after staying with Mrs. James Marsh in Oldham, Lancs. The day after receiving the sad news, Ivan received a letter from his father written the previous week in which he told of the good time he was having and of his prospective visit to London.

James Arthur Crabtree, who was in his 71st year, was born in Rockdale, Lancs. and was a son of the late Mr. and Mrs. Young Crabtree. He started his life-long career in the paper trade with the firm of Smith & McLaren in Scotland.

Coming to Canada in 1911, he worked for Ritchie & Ramsay in New Toronto, then in 1914 he went to Valleyfield, Quebec with Valleyfield Coated Paper. When fire destroyed this mill in 1938, key personnel were transferred to Provincial Paper Ltd. in Georgetown and Mr. Crabtree took a position here as head colour man. He retained this until his retirement last March, when his son, Ivan succeeded him.

His wife, Mary Dearden, whom he married in England predeceased him in June, 1950. He is survived by five children, Mrs. John Bertone (Bertha) of Toronto, Ivan of Georgetown, Mrs. Ernest Brownlee (Earth) of Valleyfield, Mrs. James Marsh (Irene) of Oldham, Lancs. and Mrs. Ivy Scott, London, England. A brother, Walter, lives in Rishton, Wiltshire, Lancs., and there are four grandchildren. Mr. Crabtree was a member of the Church of England.

Arrangements have been made for the funeral to be held in Georgetown and his ashes will be buried in Greenwood Cemetery here.
