THE MIXING BOWL
Annellian HYDRO HOME ECONOMIST

Hello Homemakers! Whatever you serve the family this weather, try to tuck in one light, warm dish per meal and surround it with one that is cool and smooth. Do not try to turn "tummies" into refrigerators, because the results will be topsy-turvy.

Jellied soups and consommé are perfect for warm weather and can be substituted for fruit or vegetable juices with a hot dinner. Canned jellied consommé comes in several flavours and can be jellied right in the can by placing it in the electric refrigerator for several hours or overnight. Before serving, whip the jellied consommé with a fork, serve in cup and garnish with chopped chives and parsley. Serve lemon juice or Worcestershire sauce and let your guests flavour to taste.

Jellied Tomato Soup
4 cups tomatoes, raw, cut
1 medium onion, sliced
Few celery leaves
Few peppercorns
3 bouillon cubes
1 tsp. parsley
1 tsp. gelatin
1 cup cold water
Salt and pepper

Simmer tomatoes, onion, bay leaf, celery and seasonings for 25 mins. Strain. This should yield about 3 cups of juice. Add bouillon cubes and minced parsley. Soften gelatin in cold water and add to hot juice, stirring until dissolved. Season with salt and pepper. Chill. Beat slightly with a fork before serving. Makes enough for 5.

Chicken Cream Pie
Pastry for 1 flaky pie crust
Pieces of cold chicken
Pieces of dressing
Half can mushrooms
Gray and white sauce

It takes 3 cups of a mixture of gray and white sauce for 1 cup meat and 1 cup dressing. Pour a generous amount of gray in a casserole. Add meat and dressing with remainder of gray in layers. Sprinkle on mushrooms. Pat the rolled out pastry to fit over the top of meat. Cut slits in pastry. Bake in a preheated electric oven of 425 degs. for 25 mins. Serve hot.

String Beans in Sour Cream
2 tbsps minced onion
1 tsp dripping
1 tbsps flour
1 tsp sugar
1 tsp vinegar
Salt to taste
1 cup sour cream
3 cups cooked beans
green pepper

Brown onion in fat, add flour, sugar, salt and cream. Cook, stirring until thick. Add vinegar and sliced green pepper. Pour over hot cooked string beans. Serves 4.

Ginger Pear Salad
1 pkg lime jelly powder
1 cup hot water
1 cup gingerale
1 cup dried pears
1 cup chopped pecans
1 tbsps candied ginger
Mayonnaise

Dissolve gelatin in water, add gingerale and chill. When slightly thickened fold in pears (raw or cooked), nuts and minced ginger. Turn into greased molds, chill until firm in electric refrigerator. Unmold and garnish with a mixture of 1 cup whipped cream, 1/2 cup mayonnaise and 1 tsp. minced ginger.

TAKE A TIP
1. Fresh Blueberry Sauce: Let 1 pint blueberries stand 2 hours with 1/2 cup sugar. Press through a sieve.
2. To poach fruit: Place a single layer of prepared fruit in a thin sugar-and-water syrup. Simmer until pieces are cooked but do not stir. Spoon syrup over fruit to glaze.
3. Lemon sherbet is a tasteful way of serving fresh fruits ice-cold. Place cubed melons and berries on a serving of sherbet. Then pass Creme de Menthe to pour over the fruit and ice — only a teaspoonful makes the dessert superb.
4. Do not place ice cream or frozen sherbet onto a crystal salad plate. — Sometimes they break. Use sherbet glasses.
5. To crush peppermint stick candy for an ice cream or cake topping, place 1/4 lb. a piece of cheese cloth and pound with a potato masher on the chopping board.

THE QUESTION BOX
Mrs. J. E. W. asks: How do you pan-fry liver?
Answer: Dip 1/2 inch slices of veal, beef or lamb liver in flour. Brown in a small amount of hot fat (not smoking hot). Reduce the heat at once. Remember overcooking at high temperature toughens liver. Cook over low heat 5 to 15
