

SCENE FROM "BORN YESTERDAY"

"Are you one of these Talkers, or are you unnerested in a little action?" Judy Holliday asks William Holden in this scene from 'Born Yesterday', Columbia Pictures comedy, coming to the Roxy next Monday and Tuesday.

FARM NEWS

REGISTERED SEED FOR WINTER WHEAT CLUB

In recent years there has been a good deal of interest in the 50 bus. Winter Wheat Clubs conducted in some seventeen counties in the Province. One of the main objects of these 50 Bus. Winter Wheat Clubs is to encourage the production of better quality milling wheat. Now that there are registered stocks available to meet normal demand, the provincial committee has decided that all contestants must use registered seed. The original importations of Cornell 595 are now becoming in many instances quite mixed and smutty, whereas registered stocks are almost completely free of bearded types and with very little if any loose smut. The minimum acreage for the Halton competition is 5 acres, but if a larger acreage is sown and the 5 acres is not previously staked the whole field will be judged. The varieties eligible are Dawson's Golden-Chaff Cornell 595, and Dawbul, and in all cases the seed must be registered.

A total of \$100 in prize money for the Halton competition will be provided by the Maple Leaf Milling Co.

We note from a lengthy list of growers just released by the Crops Seeds & Weeds Branch of the Ontario Dept. of Agriculture, that there would appear to be ample quantities of registered seed available at reasonable prices. In Halton we note the names of John Bird, Georgetown, and W. E. Breckon, of Freeman, both with sizable quantities of Cornell 595 which have passed field inspection and eligible for registration. Other Halton growers on the list with smaller quantities of the same quality and variety are R. C. Alexander, Georgetown; A. M. Sherwood, Freeman, and Woodlands Orchards, Bronte. For those desiring to secure registered Dawson's Golden Chaff, W. E. Breckon of Freeman, also has a field which passed inspection. The Seed Marketing Committee of the Ontario Crop Improvement Association has suggested the following minimum prices:

No. 1 Seed: \$2.25 per bus. (bags extra). Registered No. 1 Seed \$2.75 per bush (bags included).

Those interested in entering the Halton Fifty Bus. Winter Wheat Club should contact the Agricultural Office in Milton.

SCHOOL NURSE LEAVES FOR BRANTFORD POST

Miss Ethel Hounslow, public health nurse here for the past year, has left town for a new position with the Brant County unit in

Brantford.

Miss Hounslow has worked in Georgetown and Esquus for Halton Health Unit since coming here, and has made her home in town with Mr. and Mrs. Fred Armstrong.

Replacing her in the position here will be Mrs. Jean Wilson. Mrs. Wilson, before her marriage, had experience with health units in East York-Leaside and in St. Cath-

Duro "Water on Tap"

IN THE KITCHEN

Fresh running water at the turn of the tap... with a DURO PUMP... get rid of Kitchen drudgery.

IN THE BATHROOM

Protect the health of your family... add to the comforts of daily living... modernize your home with a DURO.

IN THE BARN

Saves labor and time watering stock with a DURO PUMP... greater PROFITS.

FARM NEWS

Maple Cattle Breeders Continue to Expand

Ontario's largest artificial unit operated by the Maple Cattle Breeders' Association had the largest increase in the number of breedings during the first six months of 1951 that the Unit has ever experienced in any six month period of its history. According to E. A. Snider, Treasurer of the Maple Unit, there was a total of 19,182 first breedings for the six month period ending on June 30th of this year. In the area surrounding headquarters at Maple there have been 843 sign up as new members. In addition they have had nearly 700 more sign up in the new Northern Ontario branches with 798 first breedings not included in the above figure.

It will be of interest to our readers to know that the Maple Unit is now shipping semen by air to Rainy River, Thunder Bay, and Algoma districts in addition to New Liskeard by train. There is a total of 36 bulls in the batteries operated at Maple.

Owing to the demand from breeders in other sections of the Province for service to the sires owned by the Maple Unit, the Directors of the Maple Association have authorized the sale of semen from any of their sires at \$10.00 C.O.D. to non-members. If the breeder wishes to register the resulting calf he pays an additional \$15.00. Members of the Association however, continue to get the use of any of the Unit's sires whether Holstein, Jersey, Guernsey, Ayrshire, Shorthorn or Hereford at the regulation \$5.00 service fee.

Plans are now under way to hold a dispersal sale of offspring from the Maple Holstein bulls. This sale is scheduled for the Hays Sales Arena on Tuesday, October 23rd. Tentative plans call for an offering of some 70 head, the majority of which will be bred heifers, all of which will be either vaccinated or negative to the blood test. Needless to add this should be an interesting sale.

Stouffville Wedding Of Local Interest

Standards of white gladioli formed the setting for the wedding on August 4th in the United Church, Stouffville, when June Beverley Ward, daughter of Mr. and Mrs. Charles Ward became the bride of Kenneth Lorne Hamm, son of Mr. and Mrs. G. W. Hamm, Lemonville. Rev. Douglas Davis officiated at the double ring ceremony, which was preceded by a rendition of "The Lord's Prayer", by Mr. Colin Bray, who also sang "Because" during the signing of the register. He was accompanied by Mrs. Charles Nolan at the organ.

The bride is a granddaughter of Mrs. Edward Hill, Guelph Street, Georgetown, her mother being the former Edna Hill of town. Mrs. Hill was a guest at the wedding, as well as Mr. and Mrs. "Pete" Tost.

The bride, given in marriage by her father, was gowned in white taffeta with lace inserts in the sleeves and collar with fitted bodice and a full skirt. Her finger-tip veil was of illusion tulle. She carried a cascade of white gladioli and maiden hair fern. Mrs. Lloyd Hamm as matron of honour and Miss Audrey Bell as bridesmaid wore matching gowns of periwinkle blue nylon

marquisette. Joyce DeWitt and Gwen Brittain as flower girls were dressed alike in pink nylon. All wore matching headdresses and carried nosegays of mixed flowers. The groomsmen were Mr. Lloyd Hamm, brother of the groom. The ushers were Mr. Douglas Hamm and Mr. Roy Ward.

At the reception held at the home of the bride's parents, the bride's mother received wearing beige crepe and lace with brown accessories. The groom's mother assisted, wearing navy crepe and lace with matching accessories. Both wore corsage of talisman roses.

For travelling the bride chose a beige suit with brown suede accessories and corsage of talisman roses. Following their honeymoon in Northern Ontario they have taken up residence in Stouffville.

AROUND THE HOME

SHOULD NOT FIT TOO TIGHTLY AROUND TREE. WIDTH OF SEAT 16". SLATS OF DRESSED INCH LUMBER. UPRIGHTS 2x4. CONNECTING PIECES 2x2. FACE BOARD, THIN PLYWOOD; SMALL CRIBBING NEXT TO TREE TO SUPPORT UPRIGHTS AND CROSS PIECES.

NEW BOOKLET - You'll find more information on these and many other interesting ideas in the booklet "Around the Home Again". Just published. Write for your copy to Tom Gard, c/o MOYSON'S (ONTARIO) LIMITED, P.O. Box 490, Adelaide St. Station, Toronto.

BE SURE CAMP FIRE IS OUT!

BEFORE BUILDING FIRE, CUT SODS AND ROLL THEM BACK. DIG OUT EARTH FOR FIRE PIT. BE SURE BOTTOM IS EARTH OR ROCK. ACROSS SODS PLACE IRON RODS OR GREEN SAPLINGS. AFTER ROLL BACK SODS TO SMOOTHER EMBERS - AND POUR ON PAIL OR TWO OF WATER JUST TO BE SAFE.

HOME-MADE JARDINIERE

TINS OF VARIOUS SIZES (LIDS REMOVED), NESTED. PAINT OR ENAMEL. PLACE GRAVEL ON BOTTOM OF TINS TO ASSIST DRAINAGE FROM POT.

HASSOCK FROM BUTTER BOX

LINE WITH CHINTZ OR WALLPAPER. ATTACH LID WITH HINGES. PAD TOP WITH LAYERS OF COTTON. COVER WITH CHINTZ, IMITATION LEATHER OR CLOTH TO MATCH DRAPES.

SILHOUETTE PAINTING

PLACE GLASS OVER PICTURE TO BE TRACED. DRAW WITH INK IN BOLD OUTLINE. WHEN DRY, COVER BACK WITH HEAVY WHITE CARDBOARD. BIND WITH BLACK TAPE.

Tom Gard's Note Book

August - the month of picnics! Each weekend we try to have something special planned for the whole family... an overnight, if we are at the cottage and weather will permit, or a trip to some picnic area if we are home. Such excursions should be enjoyed by all young Canadians with such excellent beauty spots so close at hand.

It becomes the duty of every adult to learn and to teach safety measures with camp fires if this heritage is to be protected. Each year careless people cause serious losses through forest fires. At this time of year, when our forests are often tinder dry, cooking fires or camp fires should be built on solid rock or right out in the open on packed earth. Embers have been known to smoulder for days and travel many feet underground before they break to the surface if the earth is laden with decaying roots and bits of wood. If a large flat rock is not handy, the Gard's use rolls of sod to form the sides of the fireplace and carry the weight of the cooking utensils.

Silhouettes
 My teen-aged daughter is painting interesting silhouettes on glass and framing them with cardboard and black binding tape. She does a good job of it, too.

Son Jimmy, not to be outdone by his sister, brought home a set of "tin-can" jardiniere he had made during the craft period at his boys' camp. They were painted and ready for immediate use in his mother's "window" garden.

Foot Rest
 When I sit down to relax and put my feet up this winter, it will be with the aid of a new hassock made from a butter box. Just the finishing touches remain. The top has been carefully padded and covered with bright durable plastic. (All that remains to be done is complete the pattern being made with decorative tacks.)
