ACTON WOMAN WAS CHURCH WORKER

A former Ballinafad resident, Mrs. Alfred Soper died suddenly at her home, Main Street, Acton, on Friday in her 87th year.

She was the former Barbara McCallum, a daughter of the late John and Margaret McCallum and was born at Rockside. After her marriage fifty years ago to Alfred Soper, she lived in Acton for most of her life, with the exception of a few years which they spent in Bois-Sevaine, Manitoba.

MACKENZIE NEWS

Exhibition is nearly here - winter catalogues have arrived, so maybe it's not so unseasonable to think about coal.

On August 28th there will be an increase in freight on the U.S. railroads which means an increase in the price of coal to us, as well as the usual increase on September 1 to winter prices. Coal ordered in August for delivery off cars shipped in August will mean a worthwhile saving to you. Nut or Stove coal is now \$25.00 per ton, and the quality and preparation of the coal we have received has been very high. See you resting after your holiday.
