IT'S WONDERFUL TO Hear Again

— and my brand new fully guaranteed Acousticon cost me only

\$69.50

Yes, that's right! Acousticon, the world's first and oldest manufacturer of electrical hearing aids, now makes a popular-priced aid for folks like me — who can't afford a higher-priced aid. And am I thankful! One-piece, small, and lightweight, too. This aid is wonderful for me. Why don't you drop in, or write to the Acousticon people just like I did.

Fallen Tree Disrupts Telephone Service

The tree brought down a telephone pole which serviced these lines and service was not restored until the following day.

In Fastball Playoffs Legion, Glen Williams

Last night the Legion fastball team won their third straight from Smith and Stone by a score of 8-7. The Glen beat Limehouse last night too, for their third straight game, and the two teams will meet in the playoffs. The first game will probably be next Thursday.
