**Painfully Injured in Orangeville Auto Smash**

A former Georgetown resident, Mrs. Ross Thompson was painfully injured in an automobile accident in Orangeville a week ago Sunday evening.

A car driven by her husband was in collision with one driven by A. Wright, 74 Cambridge Avenue, Toronto, at the corner of Broadway and First Streets. At the impact the right hand door of the Thompson car flew open, and as he grabbed for his falling wife and 18-month-old baby, the car went out of control, swerved and struck another car driven by Allan Wolfe, Laurel and ended up against Wilfred Bagnall's light truck which was parked on the street.

Mrs. Thompson was rushed to Lord Dufferin Hospital for treatment of facial lacerations, damage about the left eye, a fractured pelvis, concussion, bruises and abrasions. The baby was unhurt.

Mr. and Mrs. Thompson and their baby daughter Rose Marie moved from town to a farm near Orangeville several months ago. While he was working in town at the Provincial Paper Mill, they made their home in an apartment at the home of Mr. and Mrs. Harry Stockford.

**Large Dairy Show Prospect at Milton**

360 head of dairy cattle are entered for the Holstein, Jersey and Guernsey Shows to be held at Milton on Saturday, September 30. This looks like one of the largest dairy shows yet held at Milton, stated Agricultural Representative J. E. Whitlock. Halton Guernsey, Jersey and Holstein breeders have achieved an enviable reputation for the high average quality of their cattle. This was substantiated in the case of the Holstein breed, by Wray Taylor, official grader for the Holstein-Friesian Association. Last spring after completing the grading of Halton herds, he stated, "the average quality of your herds in Halton is the highest I have struck in any county I have graded this spring." Dr. H. H. Hannam, president of the Canadian Federation of Agriculture also spoke highly of nine foundation cattle which he had purchased a few years ago in Halton for his herd near Ottawa. Halton dairy breeders are to be congratulated on the effort they are making to bring their cattle before the public eye, and also to measure their own cattle with their fellow breeders by competing at their County Show.

Morning worship at St. John's United Church was conducted by Rev. L. G. Stapleton, B.A. of Streetsville, who challenged the congregation with an inspiring and thought-provoking message stressing the importance of the mission of the church in the modern world, and the importance of whole-hearted participation in that mission's fulfilment by individual Christians. The choir sang the anthem "One Sweetly Solemn Thought" and A. Tost sang the solo "Hold Thou My Hand."

It was announced that the evening service next Sunday would be withdrawn and that the congregation would join with that of the Baptist Church in their anniversary service of praise.
