SCOUT NEWS

The first paper drive of the fall proved to be very successful. A large number of Scouts and Cub Scouts participated in collecting and citizens proved their interest in Scouting by bundling the papers saved during the summer.

Thanks to all who contributed in any way to the success of the drive. A special thanks to Messrs. McKerrrow and Burns for supplying trucks, and the ladies for supplying hot dogs and milk.

The Boy Scouts had a hike and a wrenner roast on Thursday evening instead of their regular meeting.

The Boy Scout Committee met at the home of the chairman R. Hardman on Thursday evening. Plans were laid for the annual Boy Scout Apple Day which is to be held on Saturday, October 27th.

St. John's Ambulance First Aid Certificates were presented at a recent meeting to Scouts B. Farmer, B. Hardman, Don Livingstone and D. Hewitt who completed the course successfully.

District Farmers at Manitoulin Cattle Sale

There was a good representation of Georgetown district people at the annual Manitoulin Island cattle sale last week.

Bank of Commerce manager Fred Chapman reports that eighty carloads of cattle, amounting to over 2,000 head were offered for auction and that the top price was 36c.

Sale average was 33c and cattle averaged \$268 apiece. Top price at the Thessalon sale earlier in the week was 36 1/2c.

At Red Lodge on Lake Manitou, sixteen district men sat down to turkey dinner, the diners including Mr. Chapman, deputy reeve George Leslie of Esquesing, Ernie Curry, Chester and Harold Early, Nels Robinson, Bob Early, Herb Reid, Hartley Cameron, Isaac Hunter, August Spitzer, Perc Cleave, Joe Rice, Jack Gilchrist, Murray Sproat and Cecil Dobbie manager of the Milton bank branch who was formerly accountant here. Others who made the trip included reeve George Currie of Esquesing, Donald Lindsay, honeymooning with his bride Doris Harding, Norman Cameron and Sam Dolson.

World Communion Sunday

Regular morning worship was conducted in St. John's on Sunday by the minister Rev. John M. Smith who read the scripture from Luke 13:24-35 and had as his sermon theme "When Jesus Stood Helpless" which was based on Matt. 13:53-58. The choir sang the anthem "The Sun Shall Shine No More" and Fernie Caird sang the solo "My Task".

It was announced that the Sacrament of the Lord's Supper would be observed next Lord's Day in keeping with the World Wide Communion being celebrated in all Christian Lands, and that the Sacrament of Infant Baptism would be observed at a special service held at 2:30 in the afternoon.

The evening worship would be drawn and members of the congregation worshipped with the Baptist congregation on the occasion of their anniversary.

Legion Notes

GET YOUR TICKETS for the big Ball Club draw to be held next Friday night at the Legion social — the boys are working hard to make enough for their windbreakers, so how about getting some of those tickets? The prizes are turkeys and chickens. You can obtain books we believe from Wilf Hillis, Scotty Patterson, or Eric Tomlinson. How about winning yourselves a nice turkey for Thanksgiving.

BILL RONEY asks us to remind readers that it's not too early to get your children's names in for the Legion Xmas Tree. The tickets on the Xmas draw are also available for all that wish them.

WE SEE BY last Friday's papers, that Comrade Art Paddy, zone commander of this district is having quite a serious "difference of opinion" with the powers-that-be that administer Sunnybrook Hospital. Art comes from near Rockwood, is a member of Acton Legion, and is well known to the older members of the Branch.

REMEMBER! Friday night will be Legion members only. So let's see a lot of the members and their wives turn out.

BILL BROUGHTON mentioned a very good point to us the other day regarding the possibility of having a list of all Ontario Branches, their numbers and where they are. We in turn, mentioned it to the district commander, Ray Mann, who thought that some sort of concise list could be printed and sent out to all the Branches some time. A good idea, Bill, and we'd appreciate anyone else who has a thought of merit, to pass it on to us, so that we can, in turn, bring it to the attention of the powers that be.

YES, WE KNOW all about those pictures that appeared in the Tely Monday night Who is that chap at the bottom of the picture? None of them are, in our opinion, very good.
