MACKENZIE NEWS

It was a good holiday for sitting by the fire except for the hardy folk who hail from Erin and journeyed up to see their Fair.

Would you like to save yourself steps up and down cellar, have a more evenly heated house as well as save fuel, all for an investment of \$29.75, plus installation. Buy a Step-Saver Draft Control. It has a special spring that closes the drafts in case of power failure. See your raking leaves and the children gathering chestnuts.

LEGION NOTES
THIS WEEK'S column had to be left over till next week, due to the holiday causing a late paper. The writer just wished to say that the Board of Parks Management have offered full cooperation to All Sykes and his hockey project, the ice has been arranged for and a committee set up. More about this will appear next week along with a report of the Ball Team draw, among other things.
