Stan Hall Will Carry County Conservative Banner Again

HALTON MEMBER SEEKS 4th TERM OF OFFICE

At an 'enthusiastic meeting on Monday; that jammed Milton Town Hall to the doors, Stan Hall, MPP, was unanimously chosen to earry the Conservative banner in Halton County. This will be the fourth aime-that he has run as Conservatve, standard bearer, having succesfully contested the last three provincial elections.

Before the convention, the annual meeting was held, at which all the officers were reelected for another term. Several amendments were made to the riding association's constitution. Bruce Fitzgerald, secretary, read the minutes and the treasurer. Mr. Greer, gave the financial report.

Mr. S. A. B. McCleary then spoke briefly, saying that the main business, the important business, was to take place, that of choosing the candidate for the Provincial election. Before asking for nominations he asked Miss Sybil Bennett, K.C., to say a few words. Miss Bennett, in her usual fine speaking form, paid tribute to the Premier, the Hon. Leslie M. Frost. She said here was a man of great ability, yet of kindly, homespun character, whose accomplishments, and those of the government he headed, were so many and so great. She enumerated the various social reforms, the new labour code. minimum wage act. increased mothers' allowance, etc. that the Conservative government had brought about in their eight years of government. She spoke of the tremendous development of our greatest of all the provinces of this great Dominion, and the modest. unassuming way in which Mr. Frost had brought many of these about, Miss Bennett closed on a note of optimism as to the outcome of the · election, tempered with a cautioning word to all those who wanted to see this government maintained, to get out and vote. She said apathy was the only thing that could possibly defeat the Party.

Nominations were then called for and two names were handed in, those of Stan Hall and also of George Elliott. Mr. Elliott spoke, regretting that he could not stand, and pledging his support in every way to the Halton Conservative Association and its member. Stan Hall. He said he had done considerable travelling about, talking to the avince of Ontario had any doubt but roses that Leslie Frost and his government would be maintained in power . .

(he quipped, the only possible one who from some of his statements might doubt, was Walter Thompson. and that even he didn't seem so sure any more). Mr. Elliott then added a word of warning for all of the Conservatives to get out and work, not to let overconfidence rob them of victory and predicted that if they would all get behind Stan Hall they would win handily.

Amid an ovation from the enthusiastic crowd, Stan Hall then took the floor. After the cheering had subsided, he spoke, thanking those who had nominated him, as well as the entire convention for making it so wholeheartedly unanimous. He said that he was was not afraid to stand before the people of Halton County on the record of the last eight years of Conservative government. He predicted a tremendous Conservative sweep this time, said he expected that they would even add to their already-large majority. He said how honoured he was to be once more carrying the banner for this great old party, that party that is at present the only Conservative government in the British Empire. Mr. Hall said that he has tried to represent all the people of Halton County, and if elected again, would continue to do so. He urged everyone to get out and work and they would be successful. On a closing note of sober warning he reflected how lucky we were in Canada to be able still to vote and think, and worship as we saw fit to, but just how easily that privilege could slip away. He mentioned the Communist menace and how it had become so deeply rooted in some places. He then spoke feelingly of the honour that had been done him when last Saturday evening, representing the County of Halton, he had attended the State Dinner for Princess Elizabeth and her Prince Philip, held by his Excellency, the lieutenant governor, Ray Lawson. Mr. Hall then said that if anyone wished to ask any questions about the election, that the man with the answers, Bill McDowell of Georgetown was there and that
