by Les Clark  
**THE KIDS' HOCKEY** plans have started to materialize and a meeting was called by Alf Sykes last Thursday night to study the situation . . . and believe us, it's a big one. Alf has picked a group to get things ship shape, among them are, besides Alf himself, Ormie Carter, representing Norval, Harvey Garvin, Glen Williams, Marsh Timbers, who was appointed secretary, Jack Armstrong, outside representative, and the writer. Alf reported the results of an interview with the Board of Parks Management, which he said was highly satisfactory. The Board pledged their fullest cooperation, and arranged to let the kids have the ice necessary. A broad base for territorial limits for the players was laid down, and it was decided to approach Stewarttown and Limehouse, with a view of their entering the project. The equipment situation was discussed at length, and the secretary and the chairman are looking into the situation. It is hoped that this will be purchased locally, if available.

The meeting adjourned, and another will be called when the registrations (now taking place) are completed. More will appear about this project next week.

**HAD ANOTHER** letter from Mike Lorusso, who just finished five days leave in Tokyo. He flew there from Korea, and gave us a pretty good picture of what that eastern city is like. He says there are magnificent buildings there, and remarked particularly on what seemed rather a fantastic thing, a modern ice palace in the Orient. Mike said the people there are so honest about your personal belongings that it's unbelievable. Personal belongings, money, etc. are left around carelessly but no one bothers it. On the other hand, the Japanese will try to soak the soldiers three times what an article is worth, expecting to be haggled down. He adds, with a touch of realism, that 'there's never time'. Any ex-serviceman will recognize the truth in that statement. That's the bugaboo of any soldier on leave in an interesting foreign city . . . so much to see, and so little time to see it in. At any rate, Mike, we appreciate getting your letters. They are always interesting and educational. We think everyone enjoys hearing from Mike and knowing he is O.K. And it's our hope that you and the other boys will all soon be back for keeps, Mike.

**WE HAD A NOTE** a week ago from Com. Don Barrager, still in Sunnybrook Hospital. In it he asks us to thank all the members for the visits and kindnesses shown him and especially the convener of the Sick committee. We are only sorry that we have to do it Don, we'd much sooner see you around town in good health. He is going to be at Sunnybrook for some time, so we urge any member who can make it to drop in and see him. Let's hope you'll soon be back at your cleaning business, Don.

**POPPY DAY IS** approaching, and Mrs. Grieve needs some volunteers to give her a hand. How about it, fellows?

**PLANS ARE UNDER** way for the Armistice Supper and the annual Remembrance Day Service. Full details will appear next week.

**THE REGULAR** monthly meeting of the Imperial Section of Branch 120 was held on Sunday afternoon at the home of Mr. and Mrs. Alex Taylor. A report appears further down this column.

**UNFORTUNATELY,** the initiation scheduled for next Sunday afternoon is cancelled, due to the monster church parade being held by the Lorne Scots Regiment and we believe, embracing all ex-members of the regiment. Lt.-Col. John R. Barber, O.C. of the Lorne Scots, has invited all veterans to take part and attend the service at Knox Presbyterian Church. The individual members of the executive felt that with so many of Branch 120 taking part in the parade, that it was only fair to postpone our initiation.

**THANKS FOR ALL** the compliments on the last column. We just happened to have a lot of news that week, and the editor had a lot of space, so the result was one of the biggest columns we have ever written. But keep in mind, we could have a big one every week if all members would let us have any news of interest.

**WE RECEIVED,** the report of the Imperial meeting after all so here's the meeting, as given us by chairman, Jim Murphy.

Secretary Bob Muir read the minutes of the last meeting, and the treasurer, Bill Broughton read the financial report, and the Sick Report was given by Mrs. T. F. Grieve. Donations were given to the St. John Ambulance and also to the Poppy Fund, as well as purchasing a wreath from the Poppy Fund. Two letters were read from Len Owens, and a discussion on Veterans' Allowance for Imperial widows was held.

The meeting closed with a vote of thanks to Mr. and Mrs. Alex Taylor for the use of their home.

**PAINTINGS OF HALTON**  
**FEATURED AT EATON'S**

When Mr. and Mrs. Dick Licata visited the art gallery in Eaton's College Street store last week, they were interested to see that Georgetown and Halton County were well featured.

Not only were paintings by Olga Koulikovsky, Grand Duchess of Russia, exhibited, many of them scenes painted around her home near Campbellville, but a number of paintings by Adrian Dingle appeared. Mr. Dingle spent some time last year painting in the district, and there were familiar scenes of Georgetown, Norval, Terra Cotta, Milton, and Cheltenham.
