ELECTIONS

are a precious thing!

People in Russia, Poland, Czechoslovakia, could tell you something about that. So could the Chinese, the North Koreans, the people of Rumania and Hungary.

Ontario is having an Election on November 22nd

In Halton you have a choice of three candidates, Stan Hall, the sitting member who represents the Progressive-Conservative party, Dr. F. R. Deans, Liberal, and a CCF candidate who will be named at their convention on Monday.

YOU CAN VOTE for any one of them. As an elector, it is your duty to find out what the party stands for, to study the candidates, and to choose whom you think best fitted to represent you in parliament.

You can do it - - Millions can't

VOTE on November 22
