**Chatting** . . . *With M.H.B.*

**HAVE YOU MISSED us?** Seems a long time since we have been chatting with you, but a new baby is a full-time job as any mother will tell you, and there just hasn't been a spare minute these past few weeks to get back to writing again . . .

There is lots of catching up to do on "Moving News." Never realized before just how much moving about there is in town until we gathered all our tips together, so here goes . . .

**FIRST A COUPLE** of items which were missed earlier in the year . . . It may be news to some that Mr. and Mrs. Syd Hulme are now living in Mrs. George Walters' house on Victoria Street, while Mrs. Walters is making her home with her son-in-law and daughter, Mr. and Mrs. Harry Shorttill on Maple Avenue . . . Mr. and Mrs. Ken Hulme, who started their married life in Mrs. William Carney's house on Durham Street now live in one of Mrs. Alice Pott's apartments on John Street and Mrs. Carney has set up housekeeping again after a visit in England . . . Mr. and Mrs. Walter Brownridge have moved into their home on Maple Avenue beside the Shortills, coming to town from Ashgrove, where their former home was sold to John Ismond. Mr. Brownridge will continue to operate his livestock trucking and farm produce business from his new headquarters in town . . . Mrs. Vic Smith and two young children have joined Mr. Smith in Ottawa where he is a member of the Mounties . . . Into their former home on Ewing Street have moved Mr. and Mrs. Stanley Wright. Mr. Wright is a CNR wireless operator, at present working at the Port Credit station . . . They came to town in time to enter baby Glenn in the baby show at the fair, where he won first prize . . .

**NEWCOMERS FROM Terra Coita** are Mr. and Mrs. J. G. Stoddart who have purchased from Harold Scott a house on Arletta Street formerly tenanted by the Reg Ryalls. Mr. Stoddart works at the Georgetown Co-Op and their family is composed of Jack, June, Harold, Donald, Marion, George and Marlene . . . Also newcomers to town are a Danish couple, Mr. and Mrs. Paul Poulsen who are living in one of the apartments in the Cordaro Building on Main Street. Mr. Poulsen works at Provincial Paper and they have two little daughters, Sonja and Ose . . .

When Bev Moody left the Provincial mill to work at Malton his position in the engineering division was taken by William D. Fleming, who formerly lived at Dunnville. Mr. Fleming purchased the house on the 9th line which had been empty since Frank Carney bought a hardware store in Rockwood and moved there. He is a native of Caledonia and his wife, Ruth Marshall comes from Port Elgin . . . She is a graduate of nursing of Brantford General Hospital, and they lived at Villanova near Waterloo before moving to Dunnville . . . They have two children, Jon who started kindergarten here and 2-year-old Marsha and attend the United Church . . .

Mr. and Mrs. Spence McKinnon, with Eleanor's brother Bill Milliere, have moved to the apartment over the Bank of Commerce. They have been living in a house on King Street which will be occupied by John McClure and his bride whose marriage took place Saturday . . .

**BEFORE THE** Elgin Millers (Ruth Goldham) left for Lake Cowichan, Vancouver Island. Mr. and Mrs. Ted Arnold entertained at a farewell party for them and friends. Mrs. Miller was presented with a pretty necklace, and Mr. Miller was given a tie pin. Also, before she left for her new home, Ruth was given a farewell party by the Monday Night Knitting Club at the home of Mrs. Jack Watson, when the members gave her a brooch as a parting gift . . . Letters home from Ruth tell that Lake Cowichan is a town with a population of about 2,000. They have been fortunate enough to get a nice little apartment, and Ruth can see the mountains from her kitchen window.

**WHEN SEVENTY** High School students went to Toronto, to see the famed Vienna Treasures, they had an added treat - something of really current interest to offset the charm of the ancient. On that day, Prime Minister St. Laurent and Opposition Leader George Drew, both attending the Canadian Bar Association in Toronto, were also at the Art Gallery. The students were able to have a really good "close-up" . . . Some children from the Stone School were also at the Gallery to see the Treasures that day . . .

**WENT DRIVING** Sunday along with everyone else, practically, who owned a car. And no wonder. The country was really beautiful - bright sunshine lighting up the warm yellow and crimson woods. Truly, autumn, had what we would guess to be its last fling on Sunday. A good many people went walking on Sunday too. We have many streets in town which are very beautiful indeed, fringed as they are with the colorful maples . . .

**Modern Aires Open Season at Rose Room**

After a series of summer engagements including Stanley Park, Erin, the Modern Aires, Georgetown's well-known dance band has returned to the Rose Room for the winter season of Saturday dances. This year the Modern Aires are also playing in Brampton every Friday night in the Oddfellows Hall, but will bring in a replacement for some of their "formals" including the Lorne Scots Officers Ball.

Pauline Norton, who started singing with the band last season, is appearing with them in Brampton. On Saturdays in the Rose Room, vocalist is blonde Peggy Richards of Toronto whose husband is a trombone player in Mart Kenney's Orchestra.

**World Institute Ladies Come to Canada in '53**

The semi-annual meeting of the district board of Halton Women's Institutes was held recently in St. Paul's Sunday School room, Milton, with representatives from 15 branches and the executive present. Several matters of importance were dealt with which included ways and means of financing ACWW meeting in 1953, when the Ontario Women's Institutes will be hosted to these delegates from all over the world. It was decided to get aside a fund that all branches wishing to contribute towards a gift for the new Halton Home for the Aged might pool this money and have it earmarked from the Halton Women's Institutes. The 1952 District Annual is to be held in Knox Church, Acton, with Dublin W.I. as hostess Institute. A

very pleasant diversion from business was the presentation to Mrs. Clarke, formerly Miss Ruth Emsie, the Home Economist, of a large cake plate in the popular corn flower pattern from the Halton W.I. All delegates were asked to take a full report of this meeting back to their branches after which the meeting closed with the National Anthem to meet again early in April.

**EXCLUSIVELY CANADIAN...**

Each summer the "Trail Riders of the Canadian Rockies," whose world-wide membership is open to "dudes" of every race, colour and creed, gather amid the majesty of snow-capped peaks to ride the alpine trails and to camp in the valleys of one of Canada's loveliest playgrounds.

Created and signed by The House of Seagram, this advertisement, with appropriate copy for foreign lands, is appearing in magazines and newspapers printed in various languages and circulated throughout the world.

**Seagram TELLS THE WORLD ABOUT Canada**

This advertisement was designed by The House of Seagram to tell the people of other lands about Canada and things exclusively Canadian. Many people in Latin America, Asia, Europe and other parts of the world are not fully aware of the richness of Canada's natural resources, wild life, scenic beauty and cultural traditions. The more the

peoples of other lands know about our country, the greater will be their interest in Canada and Canadian products. The House of Seagram feels that the horizon of industry does not terminate at the boundary of its plants; it has a broader horizon, a farther view - a view dedicated to the development of Canada's stature in every land of the globe.
