The Lions Club, Legion, Board of Parks and Ministerial Association pooled their resources to sponsor a Hallowe'en party in the arena on Wednesday for Georgetown children.

The young people gathered at the Legion Hall and led by Jack Armstrong playing the trumpet paraded to the arena for the fun. The younger children took over the Rose Room upstairs while the seniors were downstairs where free skating was offered. Everyone got apples, peanuts and candy, while several costume prizes were awarded.

Winning costume prizes were—Girls under 12, Judy McCumber, Charlene Day, Helen Muckart; Boys under 12, Paul Marshall, Dennis Bell, Herbie Wilson; Girls 12 and over, Janice Bradley, Gail Thompson, Marna Mackenzie; Boys 12 and over, John Hulme, Bob Tracey, George Mann.

Legion Notes

WELL, THIS is probably going to be one of the busiest weeks in the year for Branch 120. At least, the week-end is. On Friday night the annual Remembrance Supper will be held, and by the way the tickets went, the members seem to be looking forward to it in a big way. This year will see a turkey dinner featuring the evening, with the Marchmont Brothers, Bert and Joe supplying entertainment during dinner, Harry Hale taking part in the evening, and acting as emcee and a new orchestra, playing for a dance later in the evening. This orchestra is headed by Babe Russell, well-known pianist and has in its ranks that old favourite on the sax, Reg Ryall. We hope that the members will enjoy the evening, in fact we are sure you will. The time is 7.15 for the supper, and, if anyone can't make the dinner, why come up afterwards for the dance anyway. All members and their ladies will be very welcome.

The boys were really impressed with the Legion building there and reckon it is one of the finest in the province. Total cost was well over \$100,000.00. The basement houses six bowling lanes and the auditorium covers the next floor. The boys say you needed a guide to keep from getting lost in the place. The lounges are furnished beautifully with furniture donated by Kröehler.

The mayor of Stratford welcomed everyone and gave a short address. Len Owens then took the chair and gave some very interesting facts regarding Imperial cases. He also explained that the British War Office has opened a fund in Canada whereby any Imperial injured can receive assistance. Also the problem of the professional men emigrating here was brought up and why they have to still take examinations. A member of the housing committee spoke on this problem for five minutes. Refreshments were served at the close of the meeting.

AND THE BIG Remembrance Day parade will be held on Sunday morning, September 11th with the service taking place at the Cenotaph at 10.30 a.m. The parade will form at the Legion Hall and must be ready to move off at 10.15. This is to allow the clergy and of the town to get to their respective churches in time for services. They have cooperated with the Branch by voluntarily calling their services for 11.15. So please Comrades, try and be there shortly after 10 to allow the Parade Marshal, Herby Shepherd MBE, to get the parade away by 10.15. Medals and laurels will be worn. It is hoped that large number of our fellow citizens will turn out to pay their respects to those who paid the supreme sacrifice. Various organizations have expressed a desire to take part, as in past years and we believe that a company of the Legion Scouts will be present. Both the local bands are taking part in the service.

WE SEE THAT Alfie Syke was down at the arena bright and early last Saturday morning to put the kids through their paces. But not early enough, according to the kids. On our way to work, about 7.50, we saw (and heard) Alf arrive to the shouts of "about time!" Wonder what you'd better do. Alf, move a few down there for "duration". Anyway things seem to be shaping up nicely and it is hoped to have a good amount of post size hockey locally. Added to that is the organization of hockey hopefuls by the Club under the watchful eye of Harvey Galt and Norval's entry looked after by a former hockey player, Ormie Carter. Each of these latter groups cannot about 25.

POPPY DAY will be held on Saturday with Mrs. T. E. Grove in charge as in the past years. She still needs a bit of help this day, so how about it Comrades? Her headquarters this year will be in the new Herald Room that used to house the B. E. Morris Street Market. Once again we stress this is not a Legion profit but is held for the benefit of all veterans regardless of whether they are members or not.

The Legion sold this year for the first time last Tuesday night for over 1000 dollars. Bill R. and the teaming why they want they earned over 100 dollars for "money". Mrs. Jim Blair put on a really wonderful dinner and the boys really went to work on it. We were asked to just keep an eye out for the boys through the night but refused. After all, we had to be here for the list ourselves. The reason for the dinner was of course the presentation of the medals to the boys. They are very nice baskets and we sure feel that the boys did a great job in the matter of raising the money last year. We are to get out here and say that they did not go to the branch one solitary cent from the treasury. This is a real achievement, fellows. And who knows, perhaps next year will see an even better of possible ball team? We can hear the other clubs groan at that remark! A sobering thought is that time passes on however, and although we hate to admit, we're all getting older, even the ball players, and the number of seasons left for the Legion to field a team are becoming gradually less. Then again the sons of the members will no doubt take over in another few years, albeit with a bit of coaching from the by-that-time decrepit old members of the 51 championship team, probably with the age-old advice of "that ain't the way it wuz done when we were playing, son" to which the obvious rejoinder from the small fry will be "Better sit down, pop, no use getting excited and upsetting your blood pressure again" and don't sit on that wet grass, the rest of the family don't want to be up with your rheumatism again! Such is life, but however we do expect to see the boys on the ball team around for a number of years yet out of wheel chairs. Seriously, though, we did appreciate being at the dinner, we enjoyed the ball season, and we hope to see another good one next year. So better get the boys ready for another winning season, manager Hills, because the whole branch enjoyed this last one!

LAST SUNDAY saw the Imperial Section off to Stratford to their District meeting. Accompanying the Imperials were a number of our own Branch members as well.

THE CARD parties have been resumed on Monday nights and are creating a fair amount of interest for the members. Sealy and Eric are once more looking after this project.

a Little buys a Lot of telephone service

It's one of today's best buys — growing in value all the time.

For one thing — its cost hasn't gone up as much as most other things you buy. Your telephone is one item that takes less of your budget than it used to.

Again — it's bigger value than ever because now you can talk to more as many people as you could ten years ago — and more families are getting telephones every day.

In addition — we've been able to keep on steadily improving the quality of this traditionally friendly and helpful service.

If you haven't yet got service — we want you to know we're working at it. You can be sure your plate on the list is being protected and your telephone will be installed just as quickly as possible.
