## Pledge W.I. Support To Library Renovations

The regular monthly meeting of the Georgetown Women's Institute was held at the home of Mrs. E. A. Thompson, Guelph, St. on Wednesday evening, November 7, and was very well attended despite the condition of the streets.

Mrs. Frank Petch, 2nd vice president, occupied the chair. The meeting opened with the singing of the Maple Leaf followed by the Mary Stewart Collect. The roll call — Give one Canada Health Rule, brought forth varied responses — a few, splendid health rules and some suggestions for our Government to standardize the size of cans and acquaint the public with the amount contained in each can. The motto was "we build our ideals and they in turn build us."

The committee appointed to interview the library board re place of meeting reported and it was decided to write the Town Council suggesting that the Institute and other organizations might assist them in making the Public Library a habitable place and a credit to the town. Discussion in a gift for the Halton Home for the Aged, at Milton, took place and it was decided to vote \$25.00 to this worthy cause for the time being. It was also decided to apply for the usual grant of \$3.00 from the Legislature. The bale for Crippled Civilians is being packed and also clothing for the Scott Mission. Anyone interested may send contributions to Mrs. J. Ballantine, or Mrs. Norman Snyder, both of Albert Street before the middle of the month. A wreath to our glorious dead was to be placed at the cenotaph on Remembrance Day and a like amount given to the local Poppy Fund.

Mrs. Harold Cleave and Mrs. Wm. McDowell had charge of the topic for the month — Home Economics and Health and before introducing the speaker of the evening, Miss Marjorie Inman, Mrs. Cleave drew attention to a write-up in the Globe & Mail re Canada's No. 1 health problem, namely, mental health. It is everybody's business, because everyone is engaged in contributing toward good or poor mental health and so on. Mrs. Chester Deforest sang very sweetly that new favourite "It Is No Secret", accompanied by Mrs. R. T. Paul.

Miss Inman chose as her subject, stories behind the Halloween season. Halloween preceded All Saint's Day which is held most sacred in our churches. All Saint's Day had been chosen to honour those saints for whom a day had not already been set aside in the church calendar. Miss Inman took her audience back to the days of the ancient Druids, she spoke of witches, goblins and fairies regarded as real inhabitants of the earth by some people in the earlier days. A great number of her audience learned far more about Halloween than they ever knew before. The story of Jack O'Lanterns was revealed, even the games played on that occasion had a history and significance. Everyone likes to listen to a story, and Miss Inman certainly proved herself very adept as a teller of tales. It was a very enlightening and interesting talk and thoroughly enjoyed by all present.

Mrs. Wm. T. Sinclair thanked Miss Inman, Mrs. Deforest, the hostess Mrs. Thompson and all who helped to make this such a wonderful evening.

Mrs. Frank Petch, Mrs. Wm. Marshall and Mrs. Wm. Frank served refreshments at the close of the meeting.

## Canon McMaster Was Lorne Scots Chaplain

Two weeks after undergoing a serious throat operation at Toronto Western Hospital, Canon Herbert West-McMaster died on Friday.

He retired earlier this year from the active Church of England ministry after being rector of St. Mark's Church, Orangeville for 22 years. Prior to that he had served at St. John's, Winona and Christ Church, St. Catharines. He had been chaplain of the Lorne Scots Regiment until recently. He was a Wycliffe College graduate.

Canon McMaster had several friends in town, his daughter Joan being married to Jack Thompson, son of Archdeacon and Mrs. W. G. O. Thompson. He had assisted at St. George's with the Easter Communion service.

He is survived by his wife, Elizabeth Bennett, his daughter who lives in Ottawa and one grandson.

Rev. John Bartlett, rector of St. Mark's conducted the funeral service in the church on Monday, assisted by Archdeacon Thompson. Bishop Walter Bagnall preached the sermon, and several district clergymen attended the service in their robes of office.

### BOWLING

#### Silver's Edge Closer MacCormack's Still Lead

There are no results this week from sections B and C as the two Legion teams had their games postponed.

#### Section A

Well! Well! You can never trust those last place teams — in this case it being the Maple Leaf Dairy. They just up and white washed McClures to a 7-0 victory. Reliable sources have heard that J. Bradford is going to have the "vet" give his bowler a "shot" in the arm next week. E. Wilson was high man for the team with 613 — the rest of the team trailed along with J. Lorusso 595, F. Spiers 542, J. Bradford 536, Mike 512. While we are on the subject of high scores T. Wylie of Silver's helped his team along with a score of 122. We don't know which way that was but that was the game they lost. Still on low score, out of the 58 games rolled (two dummy) there were 27 games under 200.

Taking high triple and single for Section A was Nip Shipway with 783 (264-223-296). Second was R. Norton with 749 (250-253-246). The only other single over 250 was 256 rolled by Walt Cook.

MacCormack's, the leading team received a beating this week and netted themselves only two points. The opposing Silver's received the other 5 points. The team standing is now MacCormack's 27; Silver's 24; Maple Leaf Dairy 18 and McClure's 11.
