Misses' tube skates and boots, GREATEST MEDICAL DISCOVERY IN TWO DECADES

> After a two and one half year test in British Government Chest Hospitals the Doctors reported that "For the first time in medical history it can confidently be claimed that there is a cure for respiratory Ailments. All the following types of cases have been cured by the Duke-Fingard Treatment: Common Colds, Bronchitis, Bronchial Asthma, Bronchietasis and Sinusitis."

The medication used in these cures is INHAL-IT - now available at your Drug Store for home use. You plug in the electric cup and inhale the antiseptic vapours.

INHAL-IT will penetrate far up into the nose and sinuses, deep into the bronchial tubes, lungs and chest to remove all traces of respiratory infection - TO-DAY - ask your druggist for INHAL-IT or write to INHAL-IT Dept. H. 1849 Avenue Road, Toronto 12, for information including medical reports, (advertisement)

NOTICE

A public hearing under the Milk Control Act will be held in Parlour 'A', Convention Floor, Royal York Hotel, Toronto, on Monday, November 19th, 1951, at 9.45 a.m. This public hearing is for the purpose of providing all interested parties an opportunity of making representations to the Milk Control Board of Ontario before this Board prescribes the maximum prices at which milk may be sold in the market of Georgetown.

A. P. Clark, Secretary Milk Control Board of Ontario.

NO MORE SCHOOLS

FOR THIS AREA. Mr. Walter Thomson, leader of the provincial Liberal Party, promised at Midland on November 8th to extend his austerity into the schools of Ontario. He would postpone the building of new schools until the province can afford them. So the forward-looking education program of the Frost government would be halted under a Liberal regime. Children, especially in expanding communities like Georgetown, would be the first to suffer.

Vote for your Progressive-Conservative candidate STAN HALL ON NOVEMBER 22nd ensure the continuance of a

sound education policy. (advertisement)
